### BASKETBALL

On Friday, February 20th, our basketball team journeyed to McMinnville to play their last scheduled game of the Willamette Valley League. From the start of the game our team out-classed the McMinnville boys in every department of the game with the exception of basket-throwing. The game was played upon a very slick dance floor, to which our boys were unaccustomed, but nevertheless they managed to set the pace for a fast and interesting game. At the end of the first half the score stood 17 to 9 in McMinnville's favor.
