

Miss Ella Brewer recently accepted a transfer from the Leech Lake Agency in Minnesota to Yakima, Wash. Her brother, Ernest, has a position at Yakima and Miss Ella's recent transfer will make it pleasant for both of them.

Printers are very scarce at Chemawa just now and we are compelled to abbreviate our commencement items and its attending festivities. We wish also to state at this time that the current issue of *The American* will be the last from our press until the beginning of school in the fall.

Just as we were closing the last forms for this issue Hon. E. B. Meritt, Assistant Commissioner of Indian Affairs, arrived at Chemawa from Washington, D. C. Our people were, and will be at any time, pleased to welcome him and extend any courtesy within their power.

The baccalaureate address was delivered by R. N. Avison, D. D., of First M. E. church of Salem, while the graduation day address was made by Rev. John H. Boyd of Portland. Both addresses were of the best and will long be remembered. Our thanks are due both of these learned gentlemen for their splendid efforts in our behalf during commencement.

Supt. Wadsworth takes pleasure in acknowledging the receipt of invitations to attend the commencement exercises at the following schools and institutions of learning: Chilocco Indian School, May 17-20; Mt. Angel Academy and Normal, June 18; Genoa Indian School, June 14-18; Cushman School June 21-26; Sacred Heart Academy, Salem, Ore., June 18; Pierre Indian Industrial School June 12; Haskell Institute, June 14-18; Fort Totten Indian School, June 19-24

## CHEMAWA ALUMNI ASSOCIATION

WM. LOVELACE, *President*; GORDON HOBUCKET, *Secretary*

**T**HE Alumni Association held full sway on the campus Friday, June 26, their day on the commencement week schedule. They came from all sections of the Northwest, very enthusiastic, still loyal to Chemawa, and insisted on being called by their first names. Arrangements were made for them, and every effort made to confer upon them the hospitality of a mother to her children.

On the morning of this great day a program was arranged and rendered in the auditorium in the presence of the student body—quite short but inspiring and encouraging. Our efficient President, Mr. Lovelace, presided over the meeting. Following is the program:
