

Y. M. C. A. NOTES

The officers of the Christian Association for the year are as follows: President, Kiutus Jim; vice-president, John Johansen; secretary, Gilbert Conner; treasurer, Alex Melovidov. Three of the graduate students, Louis Paul, Paul Kininnook and Frank Johnson, will assist the cabinet, and act as advisory members of the important committees.

The outline of meetings for the year provides for interesting and practical topics. The meeting on the second Sunday of each month will be given to topics on the line of vocations, and the third to a discussion of current events.

The Christian Associations held a pleasant social in the Gym on Halloween. Games and refreshments delighted a large number of the young people until a late hour. Another social will be held in December.

The Tuesday evening Bible class has been organized and plans made for an interesting year's work. We are fortunate in again having Miss Chapel and her student assistants from Willamette University as teachers. Mr. Cooper and Mr. Kennedy will teach classes of young men.

OUR BUDGET OF LORE

LOCAL AND OTHERWISE

While we have not been in love with the weather of late we are consoling ourselves with the thought that it has been worse in many other places.

Mr. Henry Steuben is the latest employe to arrive at Chemawa. He transferred from the Cushman school and is filling the position of assistant engineer.

Miss Esther Sprague is now in charge of the small girls' sewing-room. She arrived not long ago on transfer from Crow Creek, South Dakota, and is certain of finding friends here.

On October 17th Mr. and Mrs. William Lovelace transferred to the Ft. Simcoe school, in the Yakima (Wash.) region. Mr. Lovelace accepted the position of engineer at that place, while Mrs. Lovelace holds the position of seamstress. From information to reach us they are getting along nicely and like their new environment. Chemawa friends will be pleased to note this.
