

person. We are poor on description, but take our word for it that it was a finely and artistically decorated building. Many outlandish costumes were in evidence, but there were also some beautiful and valuable dresses worn by the girls—Indian costumes of rare qualities. All in all, our Halloween ball was a most pleasing affair.

Miss Mollie V. Gaither for more than two years was at Chemawa in the capacity of principal teacher. This fall she was promoted to the superintendency of the Springfield, So. Dak., school. We are informed that this is a nice school in a beautiful location. On November 14th Miss Gaither took her departure for her new field. Knowing that she was soon to depart a large number of her friends gave her a farewell surprise party a few evenings before she left. The function was in the nature of a supper and was given in the Domestic Science quarters. It was a very elaborate affair and voiced the honor and esteem in which Miss Gaither was held by those in attendance.

The clubmen have a collection of star players from all over the country and the best they could do was to score one touch down in each period, while the sturdy little redmen collected their strength on their own 40-yard line in the last period and bombarded with shot and shell. Downie was shooting to Jim on his left and to Lane on his right, which simply smothered the club team. When the smoke cleared away Lane was kneeling on the ball back of the much-coveted clubmen's goal post, Downie soon added another point by kicking an easy goal. Had the Chemawa team relied on more of an open attack the score might have been much different.

October 31 Chemawa saw her first game of the season, much to the
