

We are now having regulation spring weather and are looking for the March equinox to land on us any day.

Since our last issue Mrs. Theisz has been very ill with pneumonia. At one time it seemed that her chances for recovery were very slender, but at present she is improving and it is hoped that ere long she will be her old-time self.

Wm. F. Brown arrived at Chemawa a few weeks ago from the school at San Juan, N. M., and holds the position of assistant carpenter. About 20 years ago Mr. Brown was a student at Chemawa. His boyhood home was at Siletz. We are pleased to extend him a cordial welcome.

On the evening of February 25th, the school's birthday, the orchestra played a pleasing concert in the auditorium. A program similar to the one given at Gervais not long before was rendered. The concert started with a viola solo well rendered by Willie Reddie, who played well, followed by some numbers for strings alone, after which the program was finished by the entire orchestra. The concert seemed to please the majority of those in attendance.

Washington's Birthday was observed at the school with a special program which will be found on another page. There were a few additions to the program as it appears. William Walters played a splendid solo on the Euphonium, while the second band, a knickerbocker affair, made its first bow for public favor. The little fellows did mighty well, considering that it was their first appearance on the stage, also that Mr. Loos had drilled them but a comparatively short time.

On the 6th of this month the Annual Athletic Reception was held in the Gym. Dancing was a feature of the evening and the music was furnished by Mr. Willie Reddie, violin, Mr. Swoboda, cornet, and Miss Ruth Swoboda, piano. Refreshments of a tempting order were served and toasts were responded to by Supt. Wadsworth, Mr. Smith, Dr. Frachtenberg, Kiutus Jim and Russel Adams. During the evening the latter was elected captain of the baseball team for the coming season. Altogether the evening was one of enjoyment for all.

On March 1st occurred the regular meeting of the employes for the month. The meeting was presided over by Supt. Wadsworth. During the session Mr. Taylor made quite an address on the correlation of the school work in its various phases. After the business session many repaired to the Gym for a season of entertainment. Dancing was a feature of the evening and music was furnished by Willie Ready, Miss Gertrude Brewer, and Lawrence Taylor. Splendid refreshments were served at the proper time. The social committee on arrangements consisted of Mrs. Smith, Miss Sprague and Mr. Hobucket, to whom credit is due for the enjoyment of the occasion.
