

Mr. Smith has added greatly to the appearance of the walk leading from the main entrance to Brewer Hall by placing inverted half-barrels filled with flowering plants at regular intervals along it. Mr. and Mrs. Loos have likewise added attractive features to the lawn in front of Mitchell Hall. Work of this nature is highly commendable.

The last two employes, meetings were most successful in every way. The business sessions of each were presided over by Supt. Wadsworth. The entertainment committee for April was composed of Miss Brewer, Miss Mitchell, and Mr. Swoboda, while a committee consisting of Miss Peters, Mr. Sanders. Mr. Hauser and Mr. Steuber had charge of affairs for May. On both occasions the committees acquitted themselves most creditably. The May meeting was the last for this school year.

On the afternoon of May 7th the Boy Scouts, under the leadership of Assistant Commander Reuben Sanders, took a hot trail which led them in a northwesterly direction to the Clear Lake country. At a late hour camp was made and sentries posted for the night and the righteous and courageous youths slept soundly with one eye open until the early birds began to sing. An early fish was the order of the "morning after," but few fish were taken. The entire Scout body arrived home safely in the middle of the forenoon following the day of departure. The most interesting wild thing they viewed was a China rooster, but we were unable to ascertain if it was vicious, as reports differed. But the boys had a fine time anyway, and that is what really counts.
