Speaking of the work of the Indian String Quartet of Chemawa during the Indian Fair at Siletz, Oregon, last August, the Lincoln County Leader of September 3, 1915, said: "The quartet is composed of young Indian men, led by Ruthyn Turney. The First Indian Suite, in four parts, composed by Mr. Turney, was the finest piece of music ever played on Siletz. 'The Dawn—Light in the East,' 'The Dance—Tribal Ceremonial,' Lamentation—Death of a Warrior,' 'The Hunt—Braves on the Chase.' The musical expression of this piece changed with the sentiment of the song; sometimes animated and lively and at other times sad and solemn as in 'The Death of a Warrior' and with great animation as in the Chase. The poet certainly leads the human heart. Mr. Turney is one of the masters in musical art."

The entertainment given under the auspices of the Epworth League of this city at the Auditorium of the High School last Friday evening by the Indian String Quartet was much enjoyed by those in attendance. It was a genuine surprise to the majority of those present to hear the Indian boys interpret the classical numbers that filled the program during the entire evening. The quartet was under the leadership of Mr. Turney, who is a composer of no mean ability as well as master performer on the violin. The other members of the quartet were students of Chemawa Indian School. Their rendering of the "First Indian Suite" was exceptionally fine. The narrative lecture by Mr. Kennedy on "Les Miserables" by Hugo was an excellent evening's entertainment in itself. Mr. Kennedy's powers of narration are exceptionally strong, and one really received more from the lecture than he would from an ordinary reading of the book itself. All the husks had been removed and only the kernel of the story remained.—Amity (Oregon) Standard, October 8, 1915.
