

Of late we had suffered a shortage of electric light globes, but the recent arrival of a shipment from the east makes it possible for us to illuminate to our hearts' content.

On the evening of February 1st Dr. True S. Burgess arrived at Chemawa to succeed Dr. Fulkerson, who recently transferred to Warm Spring. Dr. Burgess came direct from Russelville, Arkansas, and, as we understand it, this is his first position in the service. We are pleased to extend a welcome to him and trust that he may like Chemawa and her people.

We are in receipt of individual announcements of graduation from the Salem High School of both Mr. Loulin Brewer and Mr. Louis Paul. This is pleasing information for us to report. Their graduation occurred on February 2nd. We are not, informed of the plans of these young men for the future, but we congratulate them on their perseverance and application as shown in the past and will be pleased to see them continue ever to blaze a trail of glory for themselves.

A few weeks ago Supt. Wadsworth assembled the boys of the school in the auditorium one evening and gave them a talk on various matters relating to conduct befitting respectable citizenship and the essential qualifications that classify a gentleman. We trust that those who most needed such a talk will give serious thought to its purpose. The greatest need of the world at all ages has been good people—we shall always need them and there shall never be too many of those who can qualify for that class.

## ATHLETIC CORNER

### A COMPREHENSIVE RESUME OF ATHLETIC ACTIVITIES

**D**URING the past month our various basketball teams come into their own and have treated the students and employees of Chemawa to two games which none of them will forget. On January 7th our first team played Pacific College at Newberg. While our boys put up a splendid fight, the Quaker institution proved too much for them and they received a trouncing in a most "brotherly" fashion to the tune of 49 to 26. On January 8th we entertained Philcmath at Chemawa by beating them by the score of 24 to 20. On January 15th our second team was given a chance to revenge itself upon the McMinnville High School for a former defeat. By playing a hard game, our boys beat the aggregation 27 to 14. On the same day our juniors took a trip to Salem, where they played the State School
