

Mrs. Sadie Fulkerson and son of Hoquiam, Wash., were guests of Mrs. C. D. Fulkerson of Chemawa for a few days recently.

On the evening of May 11th Mrs. Loos gave a party in honor of those who so kindly attended her during her recent severe illness. It was a most enjoyable occasion for all in attendance.

A few evenings ago Judge Galloway of Salem addressed the student body assembled in the Auditorium. He took "citizenship" for his theme and handled his subject in a masterly manner. All were pleased and honored to have him visit us and deliver an address.

We are in receipt of a card and an announcement of the graduation of Miss Ruth Brewer from the Salem High School. We are certainly pleased to report her coming graduation for she has been a good and hard-working student and her success has been well-earned.

We regret very much our inability, for lack of time and space, to publish in full an Excelsior Society report as handed to us. The report covered a public entertainment recently given by members of the Society and an announcement of officers just elected. The entertainment was meritorious in every way and the officers will no doubt prove able and worthy.
