EXTRACTS FROM PUPILS' HOME LETTERS

"I don't get so lonesome here anymore and I like it here more every day."

"I wish you would let my brother see my report card. He can see that we do good work here."

"I am working in the carpenter shop now, and I think it will be the best trade for me to learn."

"I hope you enjoyed your Thanksgiving. I enjoyed mine, as we really had everything we wanted."

"Chemawa is getting better every day. I wish you would let my two brothers come next year. I will find time to take care of them a little."

"We had a fine Thanksgiving dinner. We had roast pork instead of turkey, but everything else was just right, and so I ate the pork and made it taste like turkey."

"We have two pupils in our division who made 90 percent as their average for the month. There are two in the other section I hear, so that makes four Honor Roll pupils for the 6th grade this month."

FOOTBALL

Our first team played the heavy Athletic Club team of Vancouver on Thanksgiving and won with a score of 12 to 0.

Inasmuch as our football practice commenced late in the season it was difficult to round out a team to go up against the quality of football played by the college teams of the Northwest in so short a time and while we have held our own in most of the games, not until Thanksgiving did the team round out in form sufficiently to show the quality of football they were capable of playing. At Vancouver they proved their mettle by defeating a team much more experienced and heavier, and the strongest team our boys have gone up against.

The second team played against the Dallas team and lost by a score of 12 to 7. Chemawa has a strong second team and should have won this game, but luck seemed against them, as they were penalized at critical periods, which lost the game.
