

LOCAL LORE

Loulin Brewer spent the week-end at Chemawa.

Mrs. Stringer from Salem spent Sunday at Chemawa.

Tracy Hatch was a visitor at Chemawa last Sunday.

Miss Sarah Brewer met her mother in Portland last Saturday.

Mr. Brace went to Portland, Monday, on Government business.

We are glad to have Mrs. Brewer back from her trip to Tacoma.

Little Anna Allinuk writes from her home in Seattle that she is very much improved in health.

Dr. and Mrs. Wedge were dinner guests of Superintendent and Mrs. Hall on Monday evening.

Miss White and Mrs. Brewer, Mr. and Mrs. Smith attended "Intolerance" in Salem Monday night.

The girls who were in the hospital last week greatly appreciated the delicious pudding so kindly sent to them by Mrs. Hall.

The boys in charge of hose cart No. 2 would better "hustle". On both fire drills, hose cart No. 1 has beaten them badly.

Mrs. J. Purvine and Mrs. W. L. Scruggs, from Portland, and Mrs. Will Skipton from Salem, were visitors of Miss Skipton last week.

The Y. M. C. A. and Y. W. C. A. have realized quite a nice little sum of money from the ice cream sales given in the gym.

Superintendent Hall was the grateful recipient of a large box of oranges which was sent to him by friends in Riverside.

The employees who are owners of automobiles have been taking advantage of the beautiful weather these days for motor trips at convenient times.

A card which has been received from Alex Beyers, who left for Fort Lapwai a short while ago, tells us that he is completely rested from his trip and is feeling fine.

The beautiful sunny days, such as we have been having at Chemawa for some time, is quite a change from the damp misty weather generally experienced at this time of the year.

A number of members of the Chemawa basketball team, accompanied by Mr. Smith and Mr. Hobucket, attended the Willamette University and Oklahoma Normal game in Salem, Thursday evening.

The Oklahoma ball team humorously claimed that their defeat at the hands of our team was due to the excellent food given them at the Domestic Science Department. They were unable to keep within training rules, as everything tasted so good. Keep it up

Domestic Science girls. You are good mascots!

Hon. L. O. Belland, member of the Oregon Legislature from Astoria, and Mrs. Belland visited Chemawa on Saturday. Mr. Belland is much interested in the progress of the Alaskan Indians. For the past twenty summers he has made trips to Alaskan points and has been instrumental in sending a goodly number of pupils to this school.

One of the vocational classes in Domestic Science gave a very enjoyable faculty dinner recently. Laura Squiqui and Laura Therriault acted as hostesses and more gracious and dignified hostesses would be hard to find. Sadie Knowles and Helen Smith did the serving. The delicious dinner was prepared by Mary Unge, Nellie Metcalf, Marcella Silvers, Margaret Harney, and Amelia Norbert. The fortunate guests were Miss Scholder, Mrs. Pendergrass, Mrs. Culbertson, Miss Cartwright, Mrs. Evans, Mr. and Mrs. Woods, Mr. and Mrs. Smith. Miss Taylor and her girls are to be congratulated upon the success of the dinner.

BASKETBALL

Two hard games of basketball were played on Friday and Saturday evenings in the school gymnasium, in which Chemawa was the victor each time. The first game was with the strong Oklahoma quintet, who were touring the west and it is said this contest with the Chemawa team was their 50th game since leaving Oklahoma, winning forty-seven out of fifty. Our team, however, was too strong for them, as the score indicates, 24 to 14. It was not a one-sided game, for every point made on either side was earned by consistent effort and good team work, although at no time in the game did it appear that Chemawa could lose, for the home team took the lead easily from the start and added to it until the end. The manager spoke highly of the good treatment received, and said he did not mind being defeated by such clean sportsmen and that our team was easily the strongest one they had yet encountered.

On Saturday night the game with Philomath College was also a hard one. The college team led off with eight points before our boys got started, but the first half ended with a tie of 10 to 10. The second half was a different story, for never, it would seem, did the Chemawa team play faster and exhibit better team work and soon increased the lead. The game ended with the score in favor of Chemawa of 28 to 18.

In both games the balcony and stage were crowded with visitors, pupils and employees, and the songs and yells and general rooting were strong. The school band was also present and added to the life of the evening.
