BASEBALL AND TRACK NEWS

At present the sprints are not claiming the attention of any one in particular.

Mr. Swoboda favored the baseball team with twelve well-made belts. The members of the team appreciate them.

Some real spirit is being manifested in the baseball and track work. Rain or shine some enthusiastic fellows can be seen working out. You have the right spirit fellows, keep it up!

The classiest uniform Chemawa's team ever jumped into is now nearing completion in the tailor shop. Mr. McLean and his boys are doing an excellent piece of work on these garments.

Rain has prevented much work on the ball field of late, but Coach Hauser has his pitching and receiving staff busy in the gym of evenings when the weather prevents a work-out on the diamond.

Captain Adams of the track team, and Service of of the baseball team, are doing excellent work to forward the success of these two organizations. The boys selected two good men in these fellows and they are doing their utmost to bring out real interest in their team-mates.

Chamberlin, a new man on the mound, looks promising. Frank is making his first appearance in the baseball uniform this season. Bittles, his running mate, twirls his left wing and smokes the ball over like an old head. Webster and Chiefnight look as if something could be expected of them.

From present indications, Beyer, Tatshama, Lawton, Nix and Simmons will have to pull straws to see who will stop the ball behind the bat for the 'varsity. Coach Hauser has not made any definite selections yet, but unless something unforeseen happens, or a dark horse pops up, the infield will probably be composed of Service, (Capt) first; Downie, second; Adams, short; and Crane, third; while Todd, White, Northwest and Gartiez look most favorable for outfield positions.

Adams, Peratrovich, Eder, Colby, Alpheus, Chamberlin and Service are members of the last year's track team and are busy when the weather permits on the track. They are enthusiastically encouraging the new men and are ready to render any assistance possible. "Razor-back" Boyce, a new man, looks good. With Alpheus our distance man he should

make good. "Lupps" Peratrovich and Eder are as usual setting the marks for the rest in the weights. White, Colby, Adams, Service and Chamberlin are busy helping the new men to get over the crossbar in vaulting, high jumping and the hurdles.
