THE HOLIDAY SEASON AT CHEMAWA

(Continued from page 1)

hospital dining room were filled to their limit with students and visitors, all being waited upon by the employes.

AFTERNOON GAMES

At 2:30 p. m. the galleries and platform in the gym were over-crowded with people to witness the first public game of basketball for this season. A picked team from Brewer Hall played a like one from Mitchell Hall. Enthusiasm was rampant. The game was won by Brewer Hall.

SCHOOL SOCIAL

The social held Christmas night in the gym was largely attended by visitors and students and rarely have our people enjoyed themselves better. A fine spirit prevailed.

INSPECTION BY ALUMNI AND SENIORS

A visit was made by the Alumni and Seniors to all of the buildings on Wednesday morning. Every department was in spick and span order.

The visitors were especially interested and the entire party enjoyed the inspection.

There were two basketball games during the afternoon, one played by teams of girls from Winona and McBride Halls, which was won by McBride, and the other by boys from Brewer Hall and the class of '16, won by the class of '16.

RECEPTION AT MITCHELL HALL

The young men gave a reception on Wednesday evening to the young ladies of McBride Hall, together with special guests from Winona and Brewer, and a number of the faculty. The building was beautifully decorated for the occasion. Light refreshments were served in the reading room as well as in practically all the rooms. The young men made splendid hosts and gave every effort toward properly entertaining the 125 young ladies. This reception was a success.

ALUMNI AND SENIORS' MEETING

A feature of the week was the Alumni program on Thursday evening, which was presided over by Reggie

Downie, president. Speeches were made by Superintendent Hall, Mr. Jerry Meeker, Mr. Silas Moon, Mr. Frank Johnson and the president. A musical program, consisting of songs by the male quartet, Clyde Fields and Russell Adams, and a cornet solo by Frank Peratrovich, added to the evening's pleasure. All of the talks were good and especially so was that of Mr. Downie, in his closing remarks.

THE "HIKE"

The visiting members of the Alumni and Seniors took a long "hike" on Thursday morning. The afternoon was spent witnessing a game of basketball between the 'varsity and crack Brewer Hall team. The midgets also lined up and gave an exhibition of their powers.

BASKETBALL

The most hotly contested basketball games of the week took place on Friday afternoon, when the McBride Hall team of girls defeated the Winona Hall girls by a score of 14 to 6, and the Brewer Hall officers defeated the Mitchell Hall officers, score 16 to 15. These two games were fast and snappy and kept the crowd worked up to a high pitch throughout.

McBRIDE HALL ENTERTAINS

The young ladies of McBride gave a reception on Friday evening in their building to Mitchell Hall boys and invited guests from Brewer and Winona. The building was in gala holiday attire and the rooms had the artistic touch that only young ladies know how to give. One of the pleasing features of the evening was the program.

The ukulele club grouped on the stairway gave some clever numbers and were compelled to respond to several encores. This brought the crowd together and the club as a final encore marched down the hall leading the crowd to the large living room where a short program consisting of music and recitations was given. Light refreshments were served in the music room. The young men pronounced the young ladies delightful entertainers and the time of departure came all too soon.

SOCIAL IN GYM

On Friday evening from 7 to 9 all of the younger students who were not included in the McBride reception were entertained in the gym by dancing and music.

ALUMNI BANQUET

The crowning feature of the week was the banquet given by the Alumni to the visitors and seniors. Covers
