PUPILS' ITEMS

Sixth Grade

The sixth grade girls and boys are busy learning their new class song.

A letter has been received from George Peters, an ex-student who is now in New York.

After a talk on "Behavior" by our teacher, Mrs. McCrosson, the sixth grade class seem to realize their motto, "Obedience."

Mr. Downie gave the Brewer Hall boys a talk which was composed of "more truth than poetry." The boys enjoy his talks and profit thereby.

Eighth Grade

Sam Luton is now stationed at Mare Island, California.

Louise Silverthorne and Elizabeth Montgomery, both eighth grade pupils, have taken up nursing.

Hattie Martin led the B Division of the eighth grade in a test given by Miss Lemley, Domestic Science teacher.

Julia Mills is housekeeper at McBride Hall since the detail has been changed. With her new detail of house girls Julia is doing fine.

Marguerite Reinville, an ex-student of Chemawa who left here to take a complete course in nursing at the St. Mary's Hospital, leaves Walla Walla for Spokane in April, where she will take her final examination for graduation. According to her grades here in school she will doubtless pass with no trouble.

Aurelius Talbot, an ex-student and a member of the first crew to join the colors from Chemawa, is now on board the U. S. S. Rochester, at New York, N. Y. He states that he has not yet put his feet on foreign soil, but he has made a trip through the war zone. Of all the comforts that he has, he says that none of them do any more than our school paper, 'The Chemawa American.'

SILVERTON OUTCLASSED

The basketball game Friday night last on the Chemawa floor between Silverton Athletic Club and Chemawa Varsity was a one-sided game, results showing a score of 54 to 18 in favor of Chemawa. Although the Silverton team was outclassed they were a plucky bunch and played a fast game. Chemawa was too much for them in every phase of the game.

The visiting team was accompanied by several young ladies. After the game a social hour was enjoyed, at the close of which the visitors repaired to the domestic science department where supper was served.

CHAPEL

Chapel Sunday night was unusually fine. The orchestra played "Cupid's Garden" by Eugene. The male quartette sang a "Negro Lullabye" by Dunbar. This was a splendid number and very much enjoyed. Mamie Frisk recited "The Mother of a Soldier." She spoke clearly and enunciated well. Supt. Hall gave a helpful talk, urging each student to "play fair." The evening closed with the singing of the Chemawa song.

LOCAL

Two new girl pupils arrived on No. 16 this morning for enrollment. They came from California.

The agricultural department detail is busy burning up the old stumps on the new land south of the lake.

An additional hot water heater is being installed at the central station by which to increase the amount of hot water for use throughout the school.

The carpenters are planning to construct a new porch in front of the double cottage occupied by Mrs. Brewer and family and Mr. Sanders and family.

Chaperones for girls walking on next Sunday afternoon are Mr. Downie and Miss White for Winona Hall and Mr. Mitchell and Miss Flint for McBride Hall.

The side porch on Winona Hall has been torn away and is being replaced with a larger and more sightly one. This will improve the appearance of Winona Hall greatly.

The committee who have charge of the "recreation evening" for employes during the month of February, according to our calendar, is composed of Mrs. Brewer, Miss. Flint and Mr. Daly.

Four acres will be planted as soon as the weather will permit it to strawberries. Three acres of Wilsons and one acre of Magoons. The present strawberry patch will be plowed up after this year's crop.
