CHAPEL

Unusually good and well attended chapel services were held Sunday evening. Every number given was well rendered. Rose Deschamp gave her second solo before a Chemawa audience and her sweet, clear voice charmed us all. The following was the program:

"A Bowl of Roses" (Clark), Rose DeSchamp;
"My Native Hills" (Ripley), Orchestra; Reading,
"Our Flag and Its History," Roy Frazier; "Cast Thy Bread on the Waters" (Roedel), Choir; Reading,
"Our Hired Girl," Thelma Orsen.

Superintendent Hall gave a good strong talk. He complimented every one who participated in the Washington-Lincoln Birthday entertainment, using this success as a stimulus as well as an example of what can be accomplished by earnest and faithful effort.

EMPLOYEES' SOCIAL

The monthly employees' social was held last Thursday evening in the Teachers' Club. Mr. Daly, Mrs. Brewer and Miss Flint were in charge and are to be congratulated upon the success of the affair. Progressive games were played at small tables and Mrs. Loos received the ladies' prize, while Mr. Pendergrass and Mr. Swoboda were forced to draw for the gentlemen's prize. Mr. Pendergrass was the luckier of the two.

Some clever guessing contests were then held, after which delectable refreshments were served in the dining room. Partners for refreshments were secured by matching quotations and much merriment was had while doing so. The patriotic scheme was carried out in table decorations as well as in the refreshments themselves.

BASKETBALL PARTY

Superintendent and Mrs. Hall entertained at their home last Wednesday evening in honor of the girls' and boys' basketball teams. The affair was in the nature of a farewell to Russell Adams. The home was gay with potted plants and flags and the patriotic motif was featured throughout the evening. Various guessing contests were enjoyed. Bertha Grimes and Reggie Downie were the winners in the contests, while Russell Adams received the guest prize. Refreshments were served at small tables. Julia Fratis, Agnes Swanson and Mary Motanic served and Mrs. Jaquins assisted throughout the evening.

WASHINGTON-LINCOLN ENTERTAINMENT

The entertainment given in the school auditorium last Friday night was more finished and of a higher order than is often given in a school entertainment. The solos, choruses, octette, and quartette, were exceptionally well rendered, while the orations were fine. The mandolin and guitar club of girls charmed the audience, while the band showed a remarkable progress. The reading of the Winona "War Whoop," edited by the Winona Society, was an exceedingly amusing and very clever number and was read so clearly that not a word was lost.

A feature of this number was moving pictures of well-known Chemawaites, affording much merriment. Such characters as Superintendent Hall and Reggie Downie in characteristic conversation; Mrs. Perkins addressing the McBride Hall girls; Mr. Devol reviewing the school line; Miss Skipton directing the girls in the dining-room; as well as each of the different society presidents and their advisors were shown.

The "Historical Patriotic Party" was spectacular as well as educational. The well-known historical characters were excellently portrayed. The dainty fairies with their dancing and songs added much to a well-rendered number. The closing act in the form of a tableaux was a fitting culmination to a splendid evening's entertainment.

After the program the different societies gave songs and yells, each society endeavoring to outdo the other.
