WILLAMETTE VS. CHEMAWA

The dual track meet between Willamette University and Chemawa, on last Saturday, resulted in a victory for the University boys. The score of 102 to 33 does not indicate the relative strength of the two teams. In every track event the Collegians were forced to exert themselves in order to win, and on many occasions won only by inches. They were also lucky in the choice of lanes, and getting better starts than our boys.

As usual, in a track meet, there was a surprise; Bill Johnson, who before the meet was placed as third best man in the team, proved to be the high point man for Chemawa, with eight and one-third points to his credit. Capt. Bettles was second with seven and one-third points.

Our relay team, Boyce, Ogden, Jack Johnson and Bill Johnson, gave a pretty exhibition in running, only to lose by less than a foot. Had it not been for Roussellie being out of the team through injury the result of the race would have been different.

Considering the material we have, Coach Sanders did well to mold out a team that was able to score on the Collegians who were more experienced than our boys. Bettles is the only one in our team who has had a little experience on the track. This is the first time in the history of our school that Chemawa was represented by a set of real young boys, average age being 17 years, and they went against much older and more experienced men.

FIFTH GRADE HOLDS CHAMPIONSHIP

For the past month there has been a great deal of rivalry among the class teams fighting for the class championship of the baseball season of 1918. The fifth grade defeated the sixth grade 6 to 5 and later defeated the seventh grade, who defeated the eighth grade by a score of 9 to 8. Last week the fifth grade played a team under the name of the class of '19 and were defeated by them 11-5. The fifth grade has the right to claim the championship because the '19 class did not have a full team.

All through the season the fifth grade played good ball and are proud of the fact that they hold the championship of the class teams.

HEARD FROM

Supt. Hall is in receipt of a letter from Francis J. Scott, who until recently was our chief clerk and who is now in the army at Camp Hancock, Ga. Mr. Scott wrote as follows under date of May 19:

Arrived here yesterday morning and was immediately assigned to quarters and notified that I should remain in quarantine for two weeks. This means that I shall have to stay within the bounds of our company street for the aforesaid length of time. All new men are treated in this manner and I am sure that it is a mighty good precautionary measure. It means that we will not have any recreation for this length of time, but I can easily forego the amusements that may be found around here.

I have longed many times for the restful and comforting surroundings at Chemawa, but I am here, and you may rest assured that I will do my level best to reflect credit on the organization of which I am fortunate enough to be a member. The camp is a large one and about as good as any I have visited. We are quartered in tents and I believe I prefer them to barracks. We have an excellent mess, but the water seems poor.

Give my best regards to all the folks at Chemawa and tell them that I will be glad to hear from them at any time.

CHAPEL SERVICE

In chapel last Sunday evening a program of unusual interest was given, as follows: "My Native Hills," an overture by Ripley, was played by the orchestra; the octette girls sang "Your Flag and Country Want You," by Rubens, and on request sang "Laddie in Khaki; Edwin Rousselle gave a reading, "The National Game;" Alexandria Anderson sang a "Spring Song" to music by Rubinstein; the choir sang "Greeting to Spring," with orchestral accompaniment.

After a few introductory remarks by Supt. Hall, Dr. Hailman addressed the audience. He took occasion to mention many things which had attracted his attention since coming to Chemawa. He was most commendatory in speaking of the accomplishments of Supt. Hall, the faculty and students, and stated briefly what he expected Chemawa to accomplish if Mr. Hall remains with us. The Doctor made a good talk. In his short sojourn here he has indeed become one of us.

Throughout the past year Agnes Swanson and Catherine Wilder have acted as teachers of the second B grade. Agnes is a senior and Catherine a junior. These young ladies deserve much credit for their work. They have willingly assisted the school and Chemawa appreciates it.
