	State Superintendent of Public Instruction	
Presentation of Diplomas	- - - - -	Hon. J. A. Churchill
Recessional	- - - - -	Orchestra

THE MOUSE TRAP

At 6:45 in the evening we again listened to an enjoyable concert by the band, at the close of which all repaired to the auditorium to attend the play given by the seniors—the class play.

Who, having once seen it and heard it, can forget "The Mouse Trap," for it was a scream from start to finish? The crowd was large—in fact the capacity of the auditorium was taxed. Everything moved along as smoothly as though the players were veterans—there were no distressing waits or hitches any where or at any time. Those who attended should have been impressed with the dire possibilities of the "idea" of a mouse.

The presentation was under the direction of Mrs. Risser and Miss White. These ladies have cause to feel proud of their success in this instance, for "The Mouse Trap" was a success—a real one. It provided an evening of pure enjoyment for all. At the close of the play there were a couple of songs given by the class and the evening closed with a fine tableau based on the Star Spangled Banner.

The cast and part II follows:

- 2.—Our School, Chemawa
"All hail to our dear Red and White."

- 3.—Our Country, U. S. A.

"O'er the land of the free and the home of the brave."

JOLLY UP

On Friday morning all assembled in the auditorium for a final rally, or "jolly-up," and a rousing meeting it proved to be. The first thing to attract one's attention on entering the building was a table placed in the center of the stage on which was placed the various prizes won by the students in the different contests. The display was one of unusual magnificence and represented a most generous expenditure of funds and each gift had been carefully selected. In fact, the entire display of prizes would have been hard to match, go where you would.

Supt. and Mrs Hall, Mr. Devol, Mr. Bent and Mr. Downie were on the stage. Supt. Hall made all presentations of prizes and Mr. Downie proved an able assisant. Reggie made a splendid opening talk. Mr. Loos was on hand with his bandboys and added life to the occasion. It proved a rousing meeting in the fullest sense of the word.

An incident of unusual importance took place during the meeting. Supt Hall in a few well-chosen remarks presented to Leona John and Edward Gilbeau certificates of competency. He read to those assembled each certificate as worded and signed by the Commissioner of Indian Affairs, Hon. Cato Sells. To many this was a most profoundly impressive part of our morning session. There is no higher honor possible for a human being than full citizenship in the United States of America—a nation which stands without a peer when liberty and justice and all those things which make life dear are considered.

As Supt. Hall called the names of each prize winner they went to the platform and received their prize and were seated there. Reggie called for "rahs" for each prize recipient as his or her turn came and there was always a hearty response. Following is a comprehensive list of prizes and their winners:

- Nick Petellin—Best all-around student (boy), gold medal.
- Bertha Grimes—Best all-around student (girl), gold medal.
- Kelly Shaw—Best military carriage(boy), silver medal.
- Rose O'Brien—Best military carriage (girl), silver medal.
- Robert Downie—Captain winning competitive military drill (boys), sabre.
- Julia Mills—Captain winning competitive drill (girls), silver mesh purse.
- William Johnson—Highest point winner in field day sports, silver fob, school colors.
