O. A. C. FRESHMEN NOSE OUT IN 6-0 CONTEST

O. A. C. Freshmen 6, Chemawa 0, was the score of last Saturday's game at Corvallis. The game was hard-fought by both sides. The superior weight of the collegians, coupled with inefficient officiating, decided the contest.

Both teams seemed to lack the punch to put across the necessary yardage when within striking distance of the opponents' goal. Twice our boys came within the 10-yard mark, but lost the ball on downs.

The college boys won by straight football, mixing their plays with off-tackle plays and wide end runs. It was nobody's game until the last three minutes of play when quarterback Schroeder called for an end run, he carried the ball forty-eight yards for the lone touchdown.

The soggy condition of the field made it impossible for Chemawa to use any trick plays and forced our boys to play the line-bucking game with a few end runs.

The contest was so even that both sides made yardage eight times during the entire game. Choate, Johnson and Nuckolls worked consistently, plunging the line. Hauser, who backed up the line on defense, stopped everything that came his way, while Thomas played his usual scrappy game. Downie got away with a 45-yard run, returning a punt from his own 5-yard line to midfield. Choate also got away with a 30-yard run around end.

Chemawa was there with the do-or-die spirit.

A GREAT WEEK

On Sunday, December 1st, a personal message from Herbert Hoover will be read from all pulpits in churches of all denominations. Wednesday, December 4th, will be "Women's Organization Day" and a special Hoover message will be the central feature of a patriotic program in all the women's clubs of the country, the meetings being open to all women whether club members or not. On Friday, December 6th, special patriotic exercises will be held in all the public schools of the United States, and a special mes-

sage from Mr. Hoover to the boys and girls of America will be the central feature of the program. Throughout the entire week meetings and rallies will be held, and efforts of war workers will be centered upon the task of waking the public to an alert realization of the after-war need for greater conservation than ever.

GIVE THANKS---EAT HOME PRODUCTS

"Serve a Thanksgiving dinner made up entirely of food produced in your own state." This is the message sent out over the country from the United States food administration. Not only is the individual householder being asked to comply with this request, but state hotel chairmen are being requested to use their good influence in having hotels and all public eating places comply likewise. The food administration asks that this be done "as a distinct measure of food conservation and to demonstrate to the people how food may be saved by using local supplies. Everything served at the dinner, in order to carry out the purpose of this request, should be a home product."

SENIOR ITEMS

The senior class initiated Alicia Kimball, George Lekanoff and Muriel Bush into their class last Friday. They received a hearty welcome.

The class of 1919 are glad to be down in their little room, for now they know it is all their own.

Wade Minthorne favored the class with a solo entitled, "Belgian Rose."
