CHEMAWA QUINT WON

In what was called the fastest game played on the home floor this season, Chemawa defeated the fast Mt. Angel quintet by the score of 42 to 27. The game was a fast, clean one from start to finish, and aroused much spirit at times. The first half ended with the score in favor of the visitors, but our boys were not to be daunted and came back strong and the score shows the result. Nix at guard played an exceptionally good game, making 16 points. Downie and Bettles were not playing in their old form but never-the-less scored from time to time. Nuckolls went out of the game in the second half on account of slight injuries. He was substituted by Liljegren, who promises to become a real "dark horse." This makes the third successive victory for Chemawa.

CHEMAWA Vs. PACIFIC UNIVERSITY

On last Saturday our boys defeated the fast Pacific University team in a snappy, clean game. The score at the end of the struggle stood 39 to 22 in Chemawa's favor. Shepard, Bettles, Nix, Nuckolls and Downie comprised Chemawa's line-up and each played a good, steady game. Pacific has a good team and each man is a ball player that is hard to beat. The good team work and accurate basket shooting is what won the game for Chemawa.

At the beginning things looked rather doubtful, but after the invincible quintet had "warmed up" there was no doubt in anybody's mind as to who was going to win. Chemawa featured with successful shots from all angles of the floor and excellent team work.

On February 3 we play P. U. a return game at Forest Grove. Our team will play three games on this trip, the American Legion team of Vancouver on the 4th, and the Dunniway Park team of Portland at the Y. M. C. A. building on the 5th.

The girls' basketball team has been practicing faithfully in preparation for their first game this season against the Salem high school here this Wednesday evening. The girls will play a return game in Salem

on the following Friday afternoon. Two games have also been arranged with the high school team of Silverton. One to be played at Silverton on February 13 and the other at Chemawa on February 20.

SENIOR NOTES

1920

Some of the "Mechanics of English" are making trouble for the busy seniors this period.

We Seniors find our new science work very interesting and not so difficult as the last term work.

The Seniors are grateful for being allowed an extended study hour. Lessons are hard and time is short.

One Senior was discovered trying to arrange a balanced meal for an adult by an algebra formula—that's correlation!

Duane Kimball read an original story on Friday's program. The unexpected conclusion was productive of much applause.

Ruby White represented the class on the Sunday assembly program with a good recitation of "A Fool" one of Service's Rhymes of a Red Cross Man.

Marina Nelson sang her little "Crow" song for the class on Friday and the girls' quartet gave a very pleasing number. Ruby White gave a recitation.

It was freshmen week to sweep the hall and stairway. The Seniors got mixed and swept. The Freshmen came later and swept again—carrying away a panful of dirt.

George Berry and Andrew White were on the program for a dialogue. Andrew was absent so of course it could not be. George promised to be ready next Friday—unless he was absent.
