## LITERARY SOCIETIES

### Winona

The Winonas opened their program on Friday evening by singing a society song. This was followed by a series of humorous stories well told by Mabel Blodgett, Rose Gray read an account of "One Day" at Chemawa and Frances Fitzpatrick in a real story-telling fashion related "Seven-at-a-Stroke." Minnie Curren read some advertising matter; the president, Julia Gromoff, talked on "Thorough Preparation of Society Members." Marina Nelson, Julia Gromoff and Anna Sexton sang a "three-tette;" Louise Gardipe told an Easter story, and Rose Fisher substituted a short reading for her part in a dialogue as her partner was unable to be present. The girls belonging to each class, from the class of '19 to the class of '23, sang one of their class songs. Then followed business and the closing Winona songs.

## Y. M. AND Y. W. C. A. NOTES

At the Junior Y.W.C.A. meeting, on Sunday afternoon, after the story hour, Miss Judd sang for the little girls a solo which they claim as their very own, "The Old Sweet Story" by Luke. The little girls are very enthusiastic about their meetings and are doing good work.

"Practical Christianity at Chemawa" was the discussion topic at the Y.W.C.A. meeting on Sunday afternoon. In spite of the lure of the spring sunshine, and a baseball game, there was a good attendance. Catherine Wilder was the leader, and a number of the members participated in the discussion.

Dr. Wedge gave a splendid talk Sunday evening before a joint meeting of the Y.M. and Y.W.C.A. There was a large attendance, including the full mem-

bership of both organizations and guests. Dr. Wedge spoke very convincingly on the subject of "True Christian Leadership," using as an outstanding illustration the life of Phillip Brooks, and his influence in the world today. He closed with an appeal to the students to pledge themselves to leadership of their own people.

## COLUMBIA INDOOR MEET

Quite a delegation representing the Chemawa track team took part in the 16th annual indoor track and field meet held last Saturday at Columbia University, Portland.

James Choate took part in the 50-yd and 220-yd sprints, broad jump, shotput and the relay. In the 220-yd event he qualified for the finals, and took second in the broad jump, jumping 20ft, 4 in.

Axel Johnson took part in the high hurdles and took second in the academic events.

Clarence Edwards qualified for the finals, but lost out in the 50-yd academic.

Altogether we made five points in the 'varsity events and three in the academic, standing fifth in the number of points.

Two hundred and fifty of the best athletes of the coast took part in this meet and in many of the events there were so many contestants, and it was apparently so crowded, that individual supremacy did not appear to count.

Albert Spearson was the most feared man in his event and in consequence an united effort was put forth by the other contestants to defeat him. He was boxed in and finally tripped, which lost him the chance of winning the race. The officials in this track meet failed to enforce the rules that govern these meets and there was too much unsportsman-like conduct on the part of contestants.

## CHEMAWA VS. O. A. C. FRESHMEN

Driving a two-base hit over left field with two men on bases Wagner won the game for O. A. C. here last Saturday afternoon, 4 to 3. Chemawa put up a good brand of ball for the first game of the season. It looked like our game till the first half of the ninth inning when Bettles walked two men who scored on Wagner's long hit.

Joe pitched a wonderful ball and had more on it than the cover, sending eighteen men back to warm the bench, while Jenstel, pitching for O.A.C., has eight to his credit. Mr. James umpired the game.

Next Saturday Pacific University will play here.

## DOMESTIC SCIENCE NOTES

Miss Ola Fairweather is rejoicing to be with her class again.

Change of detail brought a new orderly to the domestic science, Ursula Conway.

Miss Freeland, who is visiting her sister, Mrs. Brickell, is taking much interest in the work the girls are doing in the domestic science.

In honor of Dr. and Mrs. Wedge and Miss Freeland, Mrs. Brickell entertained at dinner on Tuesday. The other guests present were Mr. and Mrs. Hall, Miss Skipton, Mrs. Sherman, Mr. and Mrs. Bradley. The seniors cooked and served an appetizing dinner.
