WINONA AND RELIANCE

On Friday evening the Winona and Reliance societies celebrated the last society meeting of the year by having a joint program in the auditorium. Allen Shepard, Reliance president, was in the chair and Julia Gromoff, Winona president, gave the opening address. Each society furnished a goodly number of songs, recitations, dialogues and themes and the time passed rapidly. It was nine o'clock when the last song was sung and the last cheer given and all went home wearing their favors of gold, green, pink and white, glad yet sorry that the year's work was ended. CHEMAWA VS. O. A. C. FRESHMEN

Last Saturday our baseball team went to Corvallis in autos, and were defeated for the second time this season by the O. A. C. Freshmen, 7 to 6. It was a nip-and-tuck game from start to finish, one side leading and then the other.

"Joe" was going fine in the first game with the the "Frosh" and sent 18 of them back to the bench, but was a little off color Saturday and they found him for 7 clean hits, while Scott and Ellis for O. A. C. were hit safely 6 times. In the second inning Downie slammed a long fly over the left fielder's head, with Bettles on base, for a home-run, making the score 6 to 4 in our favor.

The large crowd of college students and other spectators were kept on their toes throughout the game by the good catches and long hits made by either team. In the eighth inning Hauser robbed the Freshmen of three runs when he speared what looked like a safe liner made by Tasto and retired the side. Score by innings.

Chemawa	. . .	0	0	2	0	1	3	0	0	0
Freshmen	. . .	0	0	1	2	0	1	2	0	1

Next Saturday we will play Pacific University here.

At this time we wish publicly to thank Mr. Bradley who has taken the basketball as well as the baseball teams on several long trips to play games this season. He has always assisted willingly and we rise to a vote of thanks to show our appreciation.

SENIOR NOTES

Doesn't it sound fine—the Sunday band concert? We seniors say it does!

"It is not the amount of money you are able to earn which marks your value as a man, but the honesty of purpose with which you do your task." From Mr. Devol's address.

On Tuesday afternoon the seniors motored (by truck) to Salem and had their pictures taken. It was a glorious afternoon and all enjoyed the excursion.

CORRECTION—Through the reporter's mistake the name of Charles Williams was left off the list of high-standing seniors last week. Charles has a total average, including outside activities, of 92 1-2.

Practise on the class play is going forward, but we have sadly missed Marina Nelson for a few days, as she has been confined to the hospital with ear trouble. However, we hear she will soon be with us again.

Principal Devol was the feature of the Friday class period. The program committee had engaged him to make an address to the class and after a few songs by the members he gave a most interesting talk. His subject was, "What makes the real man?"

Mr. Devol said in his Friday talk that if each senior felt that he could take an assigned lesson and sit down and make himself get that lesson, he had accomplished a real task; if he could not do this, he had failed. He also said that, in his opinion, the studying habit here at Chemawa is three hundred per cent better this year than it was last year; pupils are studying independently and with a personal recognition of a purpose.
