

LOCAL

Superintendent Hall spent a few days at the Cushman school last week on business.

Mr. Henry Turner, who has been acting as assistant farmer, quit his job on Saturday last.

The whitewashing gang have performed a good job in adding to the general appearance of the fences.

The new office building is rapidly nearing completion. Next on hand will be the library and dairy barn.

This is demonstration week and all industrial departments are hustling around in order to give one of the best ever.

All the leading lady characters in the "Yokahoma Maid" given by the Willamette University last Saturday night wore kimonos loaned by Chemawa people.

Mr. Herbert Hoover, a national character today, made his boyhood home with his uncle, Dr. Minthorne, who was superintendent at Chemawa in its earlier days.

Miss Katherine Earlougher, senior teacher at the Cushman school, has been transferred to Chemawa. Miss Earlougher is a cultured and capable lady. We will be glad to receive her.

Four of our musicians took part in the production of the musical operetta at the opera house in Salem last Saturday night: Mr. Turney, first violin; Mr. Loos, basso; George Barrett, 'cello, and Cruz McDaniels, trombone.

Mary Motanic writes from Pendleton that she is in a hospital taking treatment, but expects to be able to return for commencement. Her health is not quite up to par and she left Chemawa to go home and recuperate. Mary is a splendid girl.

Rose O'Brien, senior in Salem High, is now taking her practice work in shorthand and typewriting in the county attorney's office. She spends from one to five every afternoon in the practice work. Rose has assisted Professor Nelson, principal, in his office work this year and he speaks very highly of her and her work.

Last Saturday evening was the date given to the Athletic Association for its social and sale for the benefit of the athletic fund. The drive for the fund was made in order to have funds enough to carry out the schedule. All week the boys, both large and small, were out during the hours they were not on duty weeding onions or planting mint so as to have funds to contribute to the fund between the social games—coffee, sandwiches, ice cream, popcorn and orange-ade were sold. We wish to thank the student body and others that helped to put the fund "over the top" for \$173:65

Commencement will take place this year from May 30th to June 5th.

The Y. M. C. A. held their regular meeting Sunday afternoon with Logan Fann as leader. The topic for discussion was "Cleanliness."

Mr. Donner, Supervisor of Construction, spent part of last week looking over our steam heating system with a view to recommending improvements and to use the \$15,000 appropriated.

From the looks of affairs it seems to The American man that ere long a new library building will be in course of construction at Chemawa. It will be located just south of the academic building and it is to be modern in every way, as buildings for libraries go. It will be a much-appreciated feature at Chemawa, as we have a host of book lovers here who revel in our library.

Some young robins are already in evidence in their nest on the campus. This looks as though summer was here, especially when coupled with other facts, such as sunshine, green onions and rhubarb, which are with us once more. When the sun shines and the birds sing it sort of puts a fellow in tune with the world. Chemawa is a great place in more ways than one. Note that aside from other things that we raise our own robins—no imported articles for us!

CHEMAWA DEFEATS PRISON TEAM IN SECOND GAME

Our baseball team won its fourth game this season when it defeated the State Prison Team 5 to 4 in Salem last Saturday. Two good pitchers stood on the mound for their teams in this game, but nevertheless they were found for several good hits, as the scorer has credited Chemawa with two home-runs, one three-bagger, two doubles and four singles, while the "Pen" team got three doubles and a single. The State "Pen" is quite like any other team in the respect that it can make changes for the better, as they worked a pitcher and catcher who proved a tower of strength to their team.

"Jada" Gartiez got two hits in this game. One over the left fielder's head for a home-run and the other behind the ear for a free walk to first. Downie came through in the sixth inning with the second home-run, scoring Berry from second.

Bettles pitched his usual good game, striking out ten men and allowing but four hits. The Prison pitcher struck out eight and was found for nine hits. Score by innings:

Chemawa—	1	0	0	1	2	1	0	0	0
O. S. P.—	0	0	0	0	3	0	0	0	1
