**COMMENCEMENT NOTES**

Bob Downie, ex-student, who was student body president two years ago, was a visitor during the week.

Mr. Gordon Hobucket, an ex-employee and graduate of Chemawa, now clerk at the Blackfeet Agency, spent last week with us.

Miss Hallie Chalcraft, of Siletz Agency, daughter of Superintendent Chalcraft, has been visiting friends on the campus for the past two weeks.

Elizabeth Rainville of Pendleton, Oregon, and Bertha Grimes of Crescent City, California, Class '19, were in attendance at the commencement doings.

The Alumni spent Saturday at Lincoln park on the Willamette river. They report a wonderful day, boating, swimming and athletic stunts. A splendid picnic lunch was enjoyed.

Mr. and Mrs. Turney are deserving of unstinted praise for the splendid musical programs during the week and gave freely of their time and strength in perfecting the various orchestral numbers, choruses, solos, octettes, and glee club numbers. This estimable couple are valued employes at Chemawa.

Complimentary remarks were heard from our many visitors concerning our well-kept and beautifully decorated dining hall. Miss Skipton always keeps her dining room beyond criticism. The end of the dining room occupied by the seniors' table, as well as visitors, was decorated in the senior and Chemawa colors.

After the exercises on Thursday evening a reception in honor of the 19 graduates and Governor and Mrs. Olcott and Mr. Fred Lockley was given by Superintendent and Mrs. Hall in their spacious parlors. There were quite a number of Chemawa as well as outside guests. They were all charmed with the ladylike and gentlemanly bearing of the members of the class.

The beautiful costumes worn by the girls in the operetta and class play were made in the domestic art department under the efficient direction of Mrs. Canfield. Those worn by the boys were manufactured by Mr. James in the tailor shop. Mrs. Sherman, head matron, had charge of the arrangement and most capably did she manage this important part of the program.

The long deferred banquet for the athletes, which has been postponed for unavoidable reasons, took form in a party for the athletes and their friends on Saturday evening in the gym. Elaborate refreshments were served. Large photographs of the various athletic teams were presented to Superintendent and Mrs. Hall as a token of appreciation for their support and interest.

A demonstration dinner cooked and served by Julia Fratis, a senior in home economics, at the home of Mrs. Hall, was given on Tuesday evening. It was a seven-course dinner, deliciously cooked and faultlessly served. The guests were Prof. Devol, Mrs. Sherman, Mrs. Brickell, Miss White, Miss Hendrix, Mrs. Risser and Superintendent and Mrs. Hall, all of whom pronounced it a charming dinner, such as very few house wives are capable of giving. Julia is a splendid cook and an all-round good girl.
