Chemawa is favored in its musical talent and also in having Mr. and Mrs. Turney, who are so willing and capable of developing it.

Fred Wilder made the best grades of any of our high school students, according to the last report cards. Julia Gromoff was second.

Mr. Gus Welch, of Pullman College, was a guest of Mr. and Mrs. Hauser last week. Mr. Welch has proven himself one of the best football coaches in the country.

Mrs. Canfield very charmingly entertained a circle of friends on Thursday evening in honor of Mr. Gus Welch. Refreshments were served and a delightful evening spent.

With nearly seven hundred pupils in actual attendance there have been but two desertions on the part of boys throughout the present year. Runaways among our Chemawa girls is unknown.

The first Sunday morning inspection since the holidays shows that the buildings are being kept up to their usual high standard. In fact, Brewer Hall, which is a mighty difficult building to keep in order, fairly surpassed itself.

Our good disciplinarian and assistant, Mr. George W. Bent and Mr. Reginald Downie, are always on their job and have created such a wholesome, natural, homelike atmosphere among the boys that they are bringing out the best, which is most gratifying, and good results are very apparent.

The open session entertainment of the Reliance Literary Society, on account of the basketball schedule, has been postponed from Friday, January 14th, to Thursday, January 20th. The Reliance boys have shown a good deal of "pep" and interest this year and we may look forward to an evening of enjoyment when that entertainment is staged.

We are pleased to announce that Mrs. Lillian Jeffreys Petri, a concert pianist from Portland and of many years musical training under the great masters of Europe, will give a recital in the Chemawa Auditorium next Friday evening, Jan. 14, at 8 o'clock. It is needless to add that an unusually rare musical treat is in store for those who attend. Invitation is extended to all.

The Laporte (Indiana) Argus of December 28th carries as a front page article the election of I. S. Loos as municipal band director of that city, said article being illustrated by a half-tone of Mr. Loos. The article speaks of the many years Mr. Loos passed as bandmaster at Chemawa. During these years he made many warm friends both in and out of musical circles. He is a musical enthusiast if ever there was one and beyond doubt Laporte will enjoy many fine concerts under his direction. A large number of Chemawa friends rejoice to hear of his success.

Thirty-five of the new girls of McBride Hall enjoyed the hospitality of Mrs. Hall on Sunday evening after chapel in order to get better acquainted. This little affair took on the nature of a "stunt" party, as the girls called for volunteers. Songs, stories and recitations were given. Ice cream and cake were served, and a very informal and pleasant hour and a-half was enjoyed. Mrs. Hall was assisted by Miss Fratis and Miss Swanson. Anie Nerguson and Martha Titseler did the serving.

During Sunday evening chapel the orchestra played "Deep River"—A Negro Spiritual, Cruz McDaniels gave as a baritone solo "The Lost Chord" by Sullivan, George Barrett played Schlemmuller's "Bauerntanz" as a cello solo, the choir gave "Thy Sweet Voice" by Evans. The exercises were closed by a fine talk from Supt. Hall. The value of a smile, both to the individual and all mankind, was most ably set forth. The smile is the sunshine of life; it dissipates the shadow, it creates an atmosphere all its own; it makes men and women, boys and girls, more willing to serve and renders them immune to fatigue. It was a splendid talk—one of Supt. Hall's best.

CHEMAWA 19 MILL CITY 5

Our first basketball game of the season was played here last Saturday night against the American Legion team of Mill City, defeating them 19 to 5.

The Legion team showed considerable fight and team work and often passed the ball around the floor as though they had no one to oppose them; but in almost every instance their throws to the basket were warded off by our guards, Nix and Liljegren, who deserve special mention for the way in which they played their position. Nix also converted 11 of the 19 points made. Shepard, center, scored six and Downie two.

The Legion has a strong team, having won all their games before coming here.

Although every man of last year's team is back on the squad, yet the nervousness of the early season games was very prominent last Saturday and Manager Bent is busy arranging another game before sending his team against the University of Oregon next Friday and Saturday at Eugene.

As a preliminary to the 'varsity contest the girls of the senior and sophomore classes played an interesting game, the sophomore girls winning by a 22 to 4 score.
