

LOCAL

All Chemawa is glad to see Mr. Woods so bright and lively since his severe illness.

The new sport jackets being manufactured in the domestic art department are almost completed.

The camera man was out again on Sunday. From the proofs we should have some splendid group pictures.

Next week will be known as "demonstration week" the work of the year will be on display in many departments.

Small picnic parties are in vogue these beautiful evenings. Chemawa has beautiful picnic spots in any near direction.

Some of the girls that were left from the last ball game had the pleasure of going on a picnic with Mrs. Brickell. All reported having a good time.

The seniors and their teacher, Mrs. Risser, were entertained informally Friday evening at Mrs. Hall's as a relaxation after a strenuous week of final exams.

Mr. and Mrs. Henderson attended the meeting of Odd Fellows and Rebekahs, which convened in Albany last week. During their absence Mr. and Mrs. McLeod were in charge of the store.

Governor Olcott will present the diplomas to the graduating class this year and Dr. Carl G. Doney, President of Willamette University, will deliver the baccalaureate sermon. Mr. Fred Lockley gives the graduating address.

Mr. and Mrs. R. W. Brown, of Montgomery City, Mo., and Mr. and Mrs. Thomas Brown of Portland, Oregon, were guests of Mrs. Vandagriff recently. The former Mr. Brown was a schoolmate of Mrs. Vandagriff and he is now a banker in his home city.

Mrs. Vandagriff thanks the Fates for giving her two such splendid details, as she says the girls are as nearly perfect as it is possible for human beings to be. From her emphatic statements we feel certain she meant just what she said. Pretty good, girls!

Word has reached us to the effect that Julia Stevens will graduate from the Harlem, Montana, high school this year. A couple of years ago she attended school at Chemawa and many friends here will be pleased to learn of her continued study and advancement.

Mrs. Hall had one of her informal "drop in" affairs Sunday evening after chapel at her home. About thirty of the employes stopped in on their way from chapel to meet Mr. and Mrs. Petri and Mr. Jeffreys, of Portland, who were week end guest of Mr. and Mrs. Turney. Light refreshment were served.

Mr. and Mrs. Paul Petri, gifted musicians, and Mr. William Jeffreys, a brother of Mrs. Petri, prominent Portland people, spent the week-end with Chemawa friends. They are much in love with our school and everybody and everything pertaining to it. They are so charming and affable in every sense that they win friends everywhere and we were all delighted to have them with us on this occasion.

WILLAMETTE SCALPED

On last Wednesday afternoon our baseball team defeated the Willamette University Bearcats on Sweetland Field 3 to 1, which marks our second victory over W. U. this season, having defeated them here 1 to 0.

Our batsmen encountered little difficulty in connecting with Irvine's "fast ones" and bunched three hits in the second inning and scored two runs. Bettles held the W. U. hitters up in great style, allowing them but one run, which was made by Shafer in the third inning on a wild pitch, three hits, and striking out 12 men.

In the eighth inning Sampson followed Atkins' single with a two-bagger over second base, scoring Atkins from second for the third tally.

The game was fast and scrappy throughout as is always the case when we meet W. U. Having defeated them in the first game and then given them a severe trouncing in the track meet the Bearcats were primed to take our scalps, but the boys were too much for Coach Matthews' men and at no time did the Bearcats get dangerous.

PACIFIC UNIVERSITY WINS

Pacific University upset the dope last Friday afternoon when she took the baseball aggregation into camp by a 6 to 4 score.

It was an ideal day for a baseball game and the whole of Forest Grove's population it seemed turned out to witness the battle, and a battle it was to the end.

The team journeyed over via Portland in machines and had it not been for the black cat that crossed our path we feel sure the score would have been different and probably our driver would not have gotten "pinched" for speedin.' Maybe there is no jinx in a black cat, but we think there is, for the team did not get one break during the entire game and P. U. got three runs on passed balls. At any rate it was an exciting game; full of thrills.

Although Joe was hit a little harder than usual he pitched a good game, striking out twelve men and allowing but five hits, while his teammates played rather raggedly and did not give him the usual good support. In all seven errors were chalked up against the team. Shelly for P. U. struck out seven men and was found for seven hits. Choate's three-base hit was the feature of the game.

Friday we will play a return game with P. U. on the home grounds, which will also be our last game here this season.

O. S. P. DEFEATED

On Saturday our baseball tossers took their spite out on the prisoners at the state penitentiary in the third game of the week for losing the game to P. U. on Friday.

Dan Lawrence ascended the mound for Chemawa and won his game by a 5 to 3 score, striking out 11 men, allowing but 6 hits while his teammates played true to form and made but three errors and sounded the O. S. P. pitcher for 14 hits. Peter Lloyd hit one for three bases over left field in the fourth inning, but was called out for not touching second base.
