WILLAMETTE UNIVERSITY TROUNCED

Our baseball tossers blew taps for the W. U. Bearcats to the tune of 10 to 5 when they met last Friday afternoon on Sweetland field. Our ancient rivals put up a desperate fight till the last frame, though out-hit and out fielded from the first. In the seventh inning the Bearcats pawed around and tore up the earth for three runs, making the score 6 to 5 in our favor. Their hopes took wing and soared high, but Phinney soon brought them back to earth by sending the remaining hitters back to warm the bench.

Phinney proved the rat poison for the Bearcat swatters, allowing but six hits and whiffing eight men. The W. U. coach rushed in three twirlers to check our hitting machine, which was slamming the onion all over the lot. In all, our batters corralled 18 hits—half of them being two-baggers. Buchert, Atkins, George, Minthorne and Norwest were our most generous contributors.

With the score still 6 to 5 at the first of the ninth, our redskinned warriors neatly sewed up the game with five solid drives and as many runs, making the score 10 to 5 in our favor and "flowers she couldn't smell" for old W. U.

VARSIITY PLAYS RINGS AROUND PRISON NINE

"Lefty Joe" sure "treated 'em rough" down at the State Prison last Saturday afternoon. Pitching only the first six innings he had them fanning the air for the high and wide ones and the low and bad ones and sent ten wood choppers back to the pit, allowing but a few scanty hits and three runs. Phinney, who defeated Willamette just the day before, relieved Joe in the seventh inning and before George got warmed up the prisoners founded him for 2 hits and 4 runs, making the score 12 to 7 in our favor. But from then on our sidewheeler held things just about his own way and rolled the batters back in apple-pie order.

It was as big a swat fest we have ever attended, for our batsmen rang the bell for 18 sound gingles, which included two home runs registered by Minthorne and Norwest, respectively, and a three-bagger annexed by Brendible.

Minthorne proved our champion "Babe Ruth" of the day, with a home run, two doubles, one single, a walk and five runs to his credit. Norwest was a close second with a homer, two doubles, a single and 4 runs.

NONPAREILS VICTORIOUS

It was thought for sometime that all the baseball material was on the boys' side, but not so, for the Nonpareils' whirlwind nine took the breeze out of the Winonas' sails last week by the disastrous score of 27 to 7. The girls have got pitchers, catchers, southpaws and everything, and real ones, too. Their pitchers can zip 'em across the plate and their catchers can hold 'em and even say such things to rattle the batter as: "Come on, feed 'em to me. She can't hit, she's got a hole in her bat." And slide! Kelly isn't in it. They slide on first.

ITEMS FROM THE TRADES

The machine shop and blacksmith shop are being painted.

Our plumbing detail is working on demonstration problems.

Carpenters are making various repairs and are turning over demonstration work to the painters for finishing.

The boys of the auto mechanics' division are having some practice in cleaning cars, grinding valves and various jobs along this line.

Commencement, final examinations, demonstration, all are before us. Let us all try to do our best that all may go well and pupils and employes be happy. "If you must ride, don't drag your feet."

The engineers have done very well in the matter of firing the boilers with fuel oil. There is a keen rivalry between the three shifts to see who can keep the most steam with the lowest oil consumption. This is excellent training and will be of value to our students when they take up work after they leave us.

If the boys of the yard detail hear the many compliments of visitors to Chemawa on the beautiful lawns and flowers they should be proud of their work. Many people say of our school, "It is a beautiful place, such beautiful grounds." Let us keep it that way and help out the yard boys by keeping things that will detract from the beauty of the place picked up.

Our baseball team has won every game played so far this year. The boys will go to Portland on Friday where they will cross bats with the Columbia University team. The next day, Saturday, a game will be played with the Multnomah Athletic Club. Mr. Downie, coach, is doing fine work.
