of the last inning. The score was 4 to 3, with Chemawa on the best end of it.

At six o'clock in the evening Mr. Bent and his band gave a pleasing concert in the bandstand as the visitors began to arrive for the presentation of the operetta, "College Days." The operetta and additional features, such as the fashion show, the girls' octet in "Allah's Holiday (very fine, too), etc., was presented as on Saturday evening. A large crowd was in attendance from various parts of the country despite the fact that the rain made the evening a nasty one. The utmost interest and enthusiasm prevailed and all who took part in the play did so with credit to himself and his school. Most favorable praise was heard on all sides and it seemed to be the opinion of many that the operetta was the best ever given at Chemawa.

The series of inter-class track and field sports was scheduled for Tuesday morning at 9:30 and in spite of the inclemency of the weather the various events were pulled off. The track was a long ways from "perfect condition" owing to the continued showers of the previous few days, but the meet was held just the same with all its accompanying enthusiasm and class spirit. It was a great success despite the weather and resulted as follows:

The call for a students' campus meeting for 2:30 in the afternoon was canceled on account of the unfavorable weather. However, shortly after 6:00 o'clock the band under direction of Mr. Bent gave a most pleasing concert, during which visitors began to arrive in large numbers.

At 8 o'clock the operetta, "College Days," was

repeated. We are at a loss to tell the story properly—to convey to our readers an idea of the crowd in attendance, but suffice it to state that again the record for the attendance at Chemawa was broken. Never did we have such a large crowd here before—it was a jam, a crush, call it what you will. Every seat was taken, chairs and stools were carried in and placed everywhere for our guests. The aisles were packed, people sat on the stairways, and there were large numbers who stood up from necessity during the entire performance. Supt. Hall and a force of employes and pupils all did their utmost to care for the visitors, but the house was simply too small, that's all.

The operetta was a grand success, received praise on all sides and we wish to state that a vote of thanks is due all who have worked so faithfully for weeks to make the operetta and other features of our commencement such a creditable affair from beginning to end—the vote is for both employes and students.

Early on Wednesday morning, Memorial Day, there was a large force abroad in quest of flowers, and later all repaired to the cemetery to deck the graves with memory's tribute. Many a dear one sleeps in Chemawa's lot and all were remembered with flowers and wreaths. It is a custom at Chemawa as elsewhere throughout the nation and we never allow the day to pass unobserved.

At ten o'clock the various military companies of the boys' and girls' battalions assembled on the athletic field for the competitive drills. B company (boys), Charles Buchert captain, took first place among the boys' companies drilling with an average of 98 percent—nearly perfect. Among the girls' companies B company, Viola Beyers captain, won out with an average of 96 percent—it proved a B company day.

The judges officiating were four National Guardsmen from Salem. There were many interested spectators present and the competitive drills were all close and of the greatest interest—creditable in every particular.

In the afternoon all of the departments were open for the general inspection of visitors, of whom there were many. This proved quite an event, both for ourselves and our guests.

At 4:30 in the afternoon the band again gave a concert in the bandstand—the last of a pleasing series—and it was enjoyed by large numbers both from home and abroad.

At 8 o'clock in the evening, in a packed auditorium, the graduating exercises took place with Supt. Hall in charge. Governor Pierce made the principal address and he captivated all with his splendid and able statement of truths, in which there was a sprinkling of humor that added to the interest of the occasion in great measure. It was one of the best addresses we heard delivered to a graduating class in many a long day. The desire of all is that the Governor may be with us again next year in the same capacity. The gentleman also presented the diplomas to the graduates, and in this, too, he was most gracious.

Mr. R. J. Hendricks of The Oregon Statesman was out from Salem with the Governor and on suggestion from Supt. Hall followed Mr. Pierce with a brief talk which proved of interest to all as the speaker
