## CHEMAWA HONORED

Students Voice Their Love for Their Old School in Verse  
and Song on the Forty-fifth Anniversary of  
Her Existence—"Our Happy Home"

The anniversary of the founding of Chemawa is made a happy event on the part of the students and employes, taking place on February 25 of each year. The 45th celebration of the school's anniversary took place on Wednesday last. For the past three years a contest between the vocational classes as worked out by Mrs. Flora J. Iliff, our principal, has aroused great interest and loyalty. The four vocational classes contested in class songs, class cheers and school poems. Our students took so much interest and the rendition was so original as well as perfectly done that we publish them as far as our space will permit. All of these songs, poems, etc., is the work of the students themselves and practically original. This is a most praiseworthy custom and brings out much class pride and spirit, as well as school loyalty. The "David" and "Katie" alluded to in the Senior poem refers to Mr. and Mrs. David Brewer, who were at the school when it was located at Forest Grove and who took part in the removal to its present site. Mr. Brewer died a number of years ago after having been a valuable and efficient employe; Mrs. Brewer is still with us, continuing her excellent work. She is matron of McBride Hall this year.

The judges in the contest gave the Seniors the first place in both boys' and girls' division; and the Juniors a second place. The Sophomores took third place in one division and fourth place in the other division; the Freshmen took fourth place in the boys' division and third place in the girls'.

### SENIOR CLASS SONG

Girls (Tune to "You can take me away from Dixie")  
Smartest class, sure will pass,  
Sometimes make mistakes  
In Geometry, Botany, that's why we study;  
When we leave C. I. S.  
We will all progress  
In whatever we undertake to do,  
And to Chemawa will be true.

Chorus

You can take us away from Chemawa  
But you can't take Chemawa away from us,  
You can send us away to the end of the world,  
But our Chemawa ways will follow us.  
We're the best in the west, loyal Seniors,  
And sunny smiles on our faces you see,;  
We smile all the day at our work or in play,  
There's nothing that can stop us from feeling so  
gay;

We're full of pep, just watch our step,  
As we climb up the ladder to fame.  
Spend our days in Chemawa's way,  
It's the only thing that can please us,  
Send us way up north with the Eskimos,  
But our hearts will be in Chemawa,  
Where the good will flows—  
You can take us away from Chemawa,  
But you can't take Chemawa from us.

Boys

Come all good fellows and work lay aside,  
Come where Chemawa and the Seniors abide,  
Come now and sip of the good fellowship that is  
waiting here,  
Come where the spirit fills our heart's desire,  
Come where good fellows to heights all aspire,  
Come now and hear in a song ringing clear on the  
blithesome air.

### CHORUS

"Victory" for seniors, good fellows meet today,  
Chemawa's Red and White, drive all our cares away,  
Blue and gold, Blue and Gold, yours is the spirit free,
