ATHLETIC NOTES

In the beginning of the season our basketball outlook was anything but bright because of the absence of veterans, especially forwards. Yet the team developed into a formidable aggregation before the season closed and won 10 of the 17 games played. Their playing appeared to be inconsistent at times, but that is always to be expected with new men. Eldred George came to the front and was a consistent shot until he hurt his knee rather early in the season, which hampered his playing considerably. Yet he was our high point man, with a total of 123 points to his credit. Jesse Prettyman, playing his first year as a regular, was easily the most outstanding of the new players. Jesse's speed, coupled with good floor work and basket shooting, will make him one of our mainstays next year. Jesse ran Eldred a close race for high point honors, with a total of 113 points. James Spencer, another of the new men, proved to be a real find as a guard. Jim had uncanny ability in intercepting passes and blocking shots to the basket because of his height and long reach. Jim is also somewhat of a basket-shooter and in another year will be a valuable player.

Our girls enjoyed one of the best basketball seasons they have ever had. They started late, but in spite of that fact played more games than ever. They played 12 games, won six, tied one, and lost five. A very creditable showing. Their playing, like the boys, was at times inconsistent, due to a comparatively new team. But when right they played the snappiest passing and shooting game ever seen. Alma Morrigeau won high-point honors for the girls with a total of 85 points. Clarinda Quenel was second with 80.

Following are their scores:

Chemawa 19	Scio High School	20

Our wrestling team enjoyed the most successful season of all. Our grapplers engaged in six matches and won them all, with the exception of the first match with Oregon City which ended a tie. However, that match found our boys with but a week's preparation.

The return match with the same team, which came toward the end of the season, found our team in shape and the 88 to 11 score in our favor marks the improvement our boys made during the course of the season.

Tom Anayah proved to be our most effective grappler in his weight and won high-point honors with a total of 80. Captain Bill Johnson, though he did not enter the last match, won second place with 67 points.

Following are the season's scores:

Chemawa 103	Benson Tech	55
Chemawa 51	Oregon City High	51
Chemawa 75	Corvallis High School	71
Chemawa 70	Corvallis High School	30
Chemawa 88	Oregon City High	11
Chemawa 65	Oregon Normal School	35

A note just received from Willamette University reads as follows: With every promise of being an outstanding quarterback in the Northwest Conference, Charles DePoe, of Chemawa, is being watched carefully by Coach "Spec" Keene, who is counting strongly on DePoe as an important factor in his football lineup for next year. DePoe, not content with making his letter in one major sport, has earned a place as second baseman on the varsity baseball team, and is busily warming up for the first game of the season.
