The Pooton Campfire Girls met at the Wigwam, Tuesday night, September 22nd. There were about forty new members, among that number Miss Newell and Miss Terry were present as the new guardians for new troops. The old members gave a program and demonstrated the campfire honors. Songs were sung and refreshments were served by the three guardians.

Miss Newman is sponsoring this group.

### HOME ECONOMICS

There are 356 girls enrolled in the home economics department this year. They are distributed as follows: Twenty in the fifth grade, 36 in sixth, 62 in the seventh, 54 in the eighth, 78 in the ninth, 63 in the tenth, 27 in the eleventh, and 20 in the twelfth.

These girls are starting their work enthusiastically, and each one is doing her part not only in her class work, but also for the school. We may well be proud of our girls who, under the leadership of Mrs. Kirk, Mrs. Mason, Mrs. Larson, Miss Fout, Mrs. Melovidoff and Miss Andrews, carry on the daily work which helps to make Chemawa the fine school that it is.

There is fine spirit of co-operation in our school, and the girls in Mrs. Melovidoff's department again gave an excellent dinner to the visiting team on Friday, October 2. The eighth grade girls were responsible for the football dinner this time.

Mr. Bent tells us that the girls in the cooking classes have gained an enviable reputation for their hospitality.

Several interesting projects have been undertaken in the department and these will be reported from time to time in this column.

### SENIOR NOTES

The senior class now numbers 55—Bertha Peratrovich and Florence Osborne being the two additions.

### CARPENTER SHOP

The carpenter shop now numbers twenty-five of the best students on the campus on its roll. At present, and for the past few weeks, the shop students have shown considerable enthusiasm and skill in the production of equipment for the various organizations on the campus. Some of the projects now completed are: Bulletin boards in gymnasium, a number of easels for the art department, and we have in production some large tables, and a number of footstools and other equipment for various shops. Our slogan is, "Only the best is good enough."

Roy Meachem and Earl Stanhope are making themselves new suits in the tailor shop. The tailoring class as a whole is engaged in making new gym suits.
