LOCAL

Mr. Mason was the victim of a genuine attack of influenza recently.

DePoe Bros.' orchestra played for a dance at Siletz last Friday evening.

On Saturday afternoon a week ago our orchestra played for the Oregon Products Exposition held in the armory in Salem. The orchestra was most successful in its musical endeavors. The products on exhibit were so numerous and so excellent as to surprise many people and also make one proud of Old Oregon.

Miss Marie Roddy returned to Chemawa on Monday of last week from Kalispell, Montana, where she was called some ten days previously because of the serious illness of her mother.

Chapel on Sunday evening, April 3rd, was in charge of Supt. Ryan who made a very serious talk on deportment—a talk that the wise student should have taken to heart for his own good.

Supt. and Mrs. Ryan entertained Prof. and Mrs. Paul Petrie of the Oregon State College and Mr. and Mrs. Turney at dinner last Saturday evening. It was an occasion of real pleasure for all.

The Pootan Campfire girls held a short business meeting in the "practice house" on Monday, April 4th, where plans were discussed for the Firemakers' rank and a grand council fire that comes every year for all Campfire troops.

Mrs. Earl Hunter Jr., and little son, "Buddy," arrived at Chemawa last week from their home in Juneau, Alaska, for a visit with Mrs. Hunter's parents, Mr. and Mrs. Kirk. Many friends will be happy to welcome Mrs. Hunter to her girlhood home.

Lotanah Campfire met at their usual meeting place at the "practice house" on April 4, 1932. Business was discussed on working for their Campfire honors, after which the rest of the meeting was devoted to demonstrating and singing "Mammy Moon" and "Burn, Fire, Burn."

We were pleased to welcome Supervisor John H. Holst (Indian Education) on his recent visit to our school. Mr. Holst was here for a brief period in the prosecution of his official duties, but long enough to meet some of his friends who esteem him both for his ability and his affable qualities.
