

CHEMAWA WINS FROM LINCOLN, 7-0

On Friday evening, Sept. 16, 1932, under arc lights, Chemawa played her first football game of the season in Multnomah Stadium against Lincoln's "biggest team." If that was Lincoln's largest team in her history we hope they keep on getting heavier for the braves certainly pushed them all over the field.

Penalties played a great part in keeping down the score as well as did the four or five fumbles. Chemawa made a total of twelve first downs to Lincoln's three.

Every player on Chemawa's squad saw action, thus there were no injuries.

The high light of the game was a series of plays which resulted in a touchdown. Chemawa received the ball on her own 35 yard line and in five plays had a touchdown. One of those plays was the "old lay-out pass" that Vivette caught and which made about 40 yards.

On one occasion during the first half the ball rested on the 4 inch line when the gun went off for time.

No games were played during the past week-end because of several cases of the "flu." There will in all probability be a game on Sept. 30th if conditions improve. The opponent is not definitely known.

ATHLETIC BUSS

The football team traveled to Portland, and got all the way back in the athletic department's new bus. This bus will pay for itself this year from the money that is ordinarily paid out for transportation for the various teams. The bus has been reconditioned and it is hoped that with the use it will receive from the teams, it and the tires will last for the entire year.

The bus will be painted and there will be baggage racks put in by Mr. Berry and his able assistant, Dumont.

SENIOR NOTES

Rah! The Senior Class has now reached the magnificent number of sixty pupils, consisting of thirty boys and thirty girls. What a break for us! The class consists of all old students except for Oma Woodcock, Lawrence Horn and Nelson Porter.

We held our first class meeting of the year on Monday evening, Sept. 19, in room 10, for the election of officers which resulted as follows:

- President..... Leo Cottonior
- Vice-President..... Peter Levay
- Secretary..... Louis Pitt

- Treasurers..... Alice Ladderoute
Harold Berys
- Sergeant-at-arms William Demmert
- Reporter..... Frances Jones
- Cheer Leader..... Robert Thomas
- Song Leader..... Marie LaFrance
- Historian..... Howard Churchill
- Recorder..... Esther Hillman
- Prophet..... Leroy Grenier
- Class Poet..... Oma Woodcock

We all sincerely hope that our class will have the name of being the largest graduating class in the history of Chemawa. So come on you Seniors! Live up to our motto, "Success."

Our laboratory in chemistry has been remodeled and we now have a new stock of equipment, thanks to Mr. Rainey.

Our class has certainly returned full of ambition and vigor, and we all sincerely hope that everyone keeps it up. We have thirteen of the senior girls now taking nursing under the Red Cross and each one expects to earn a diploma.

AUTO MECHANICS

Prosperity may be just around the corner but success is already here for the auto mechanics.

Hamilton Green and Leo Hunter recently completed two brake equalizing jobs which were tested on brake testing machines at Salem and found one-hundred percent perfect.

Eddie Abieta relined the brakes and aligned the front wheels of a Whippet. Both jobs were tested and found to be perfect. By the way, Eddie is now driving a truck for the state highway department.

Leo Cottonior recently returned from a similar job with the highway department.

Walter Majhor and Walter LaPlant have completed an overhauling job on one of the government Fords which would do credit to any professional mechanic.

Stanford Solomon and Larry White overhauled the front end of the school bus and installed a new fly wheel, doing a class of work that any shop could be proud of.

These boys all began at the bottom of the ladder last year and are now well on their way to acquiring professional skill in their chosen trade.
