COURTNEY AND DEMMERT STATE CHAMPS

On March 10 and 11 Coach Sanders and his bone-crushers were very busy at the Oregon state wrestling tournament. Our grapplers came out of the melee with two state championships which placed us second in team standings. Benson Tech of Portland won first place.

William Demmert and Terrance Courtney came out victors and are the owners of a beautiful bronze medal each. When Demmert applied his wristlock the round was over and that is the way he worked in all his matches, winning every one by a fall. He is the state champion in the 160 pound class and although Courtney had a hard struggle he managed to win over all of his opponents in the 105 pound class to get the much prized medal.

Others representing Chemawa at the tournament were Underwood, Peltier, Mike and George Pepion, Palmer, Ironmoccasin and C. Pepion.

BASKETBALL

On March 10 the All-Stars journeyed to Woodburn and lost a rough game to the Woodburn town team. The score was 49-35 when the whistle ended the fray. Hatfield scored 21 points in this game.

On the evening of the 11th the All-Stars won from the Grand Ronde Indians 43-53. Hatfield and Matt shared high point honors with 16 each. In a preliminary game the All-Star reserves lost a close game to the Salem "Y" Aces. The count was 30-31 with Horn and Whitright sharing high point honors with 10 points apiece.

SPRING ATHLETICS

Last Monday our next year's football warriors went to Woodburn and had a scrimmage with Woodburn high school. They spent the afternoon learning the fundamentals and running a few plays.

After school and in the evenings one may encounter runners from the school on many near-by highways preparing for the inter-class cross-country run and limbering up for the track season.

The call for baseball players brought out a large number of boys and they are warming up and as soon as the weather permits we will see them in organized practice.

GIRL SCOUTS

Mrs. Middleton and her girl scouts are thankful for the books of songs that Miss Mountjoy and her girls

fixed for them, with the aid of Frances Jones, who did the mimeographing. Instead of the regular meeting the two troupes of scouts met at the Catholic church and sang songs.

The girls gave a party on Feb. 17 and invited their boy friends. Misses Cruise, Hoffman, Hoptowit, and Middleton were guests.

On Monday March 6, the Pootan campfire girls gave a party at the home of Mrs. Smith. The girls and their guests played games after which refreshments were served.

Monday night the Latonah group held a meeting. Lydia Pepion taught the girls how to give manicures.

The Nonpareils held their regular meeting on Monday night, March 6. A program was given by the following members: Frances Jones, Rosalyn Buffaloboy, Pansy Rutherford and Ruby Dean.

On Friday March 3, a basketball game was played between the Y. W. girls and the Latonah Campfire girls. The Y. W. won 18-6. This was the last of the series of the girls' basketball games.

In the girls' gym classes, apparatus work will be taught for the next three weeks. Dance classes, which are very popular, meet once a week under the several leaders.

PERFECT PAPER PRINTED

An editor dreamed one night that he had decided to get out, for once in his career, a paper that was entirely satisfactory. Every item that was written for this exceptional issue was carried around to the different readers of the paper and if any objection was raised it was omitted. The paper went to press as usual and when the patrons unfolded it they found nothing but a blank sheet. The editor slept sweetly with the thought that he had printed nothing to offend anybody, that for once his paper was entirely satisfactory.

WEARING A "C"

(Continued from page 1)

There is a great responsibility resting upon the young man who is granted the privilege of wearing the letter of his school. His responsibility is in not doing or saying anything that would in any way disgrace the name of his school. He must not in any manner bring shame or dishonor on the wearers of the C who have gone before him. He is in a sense a marked representative of his school.

Wearers of the C ought to be drawn together by a common feeling of responsibility. The possession of the letter should give them pride and they should glory in the fact that Chemawa stands for clean athletics and always has fighting teams.
