

JOHN COLLIER BECOMES COMMISSIONER OF INDIAN AFFAIRS

John Collier, who on April 21, 1933, was sworn in as Commissioner of Indian Affairs, was born in Atlanta, Georgia, in 1884. His academic training was at Columbia University in New York and the College of France in Paris. In 1907 he became a staff member of the Peoples Institute in New York City. Under that assignment he helped organize, in 1910, the National Board of Review of Motion Pictures and was its general secretary for four years.

He was an organizer of the National Community Center Association founded in 1915, was its first secretary and later its president. He was the director of the national training school for community centers from 1915 to 1919. In 1916 he helped to organize and served on the board of directors of the Childs Health Organization, later the American Child Health Association.

In 1919 he went to California where he became Director of Community Organization, a position under the State government. In 1920 he began traveling among and studying the Indians of the Southwest. In 1923 the American Indian Defense Association was organized and Mr. Collier was made its executive secretary. He held that position until his present appointment as Commissioner of Indian Affairs.

FIFTH ANNUAL REUNION

You are cordially invited to attend the Fifth Annual Reunion of the Cushman Indian School, now known as the Tacoma Hospital, Tacoma, Washington, on June 24, 1933.

For the past four years the former students and their friends have gathered at Tacoma to attend this annual event. Everyone looks forward to this Reunion. Many of the employees and parents of the students here were former students of the Tacoma school.

During the past years baseball games have been the outstanding attraction of the day. Then, too, sports of all kinds are featured. Races and contests are held for both young and old, with prizes for the winners. Free luncheon is served and there is a dance in the evening.

We hope to have a bigger and better time this year, and sincerely hope the students will inform their folks of this event and bring them to Tacoma to have a grand time.
