### WHAT'S THIS?

On Monday evening, November 5th, the post graduate, college and office girls organized a club which has not yet been officially named. It will be decided at the next meeting and the purpose of the club is to provide social activities for this group.

The following officers were elected: Alice Cross, president; Williamette Blakeslee, vice-president; Essie Bedard, secretary and treasurer; Donna Mae Lafonso, sergeant-at-arms; Hazel Finkbonner, reporter; other members are: Vera Rogers, Savannah Sweeney, Anna Washbrekoff, Mary Hauser, Mary Iyall, Margie Law, Nellie Summers, Bessie Brown, Muriel Pratt and Evelyn George. Mr. Victor Johnson will sponsor the club.

We suggest the boys should organize a similar club.

### BOYS' MUSIC CLUB

Due to the many activities taking place at the beginning of school this club was slow in organizing. However, we hope to make up for lost time. A meeting was called on November 4th, to elect officers. The following were elected: James Dupuis, president; Dan Motanic, vice president; Francis Thomas, secretary; Louis Orr, treasurer; Matt Adams, sergeant-at-arms. The meeting was presided over by the president and a discussion was held. The main question brought up was how we were to know the boys that joined had musical ability. It shall be determined at the next meeting for all the new members are to do their stunts. A committee of four has been chosen by the president to pass judgment on the new members. A constitution has been drawn up and it shall be read at the next meeting.

### LITTLE FLOWER SOCIETY

The Little Flower Society and Catholic Boy's As-

sociation held a joint meeting on Tuesday, October 30. A most enjoyable time was had by all, with dancing, games and refreshments. We look forward to these meetings which are held once every month.

### STUDENT COUNCIL

Now that the boys and girls have selected their councils they should make use of them. Take to your council members problems of the school so that they may be cleared up to the satisfaction of all. If there is something you wish to see done that will improve Chemawa and be of benefit to all other students then state your ideas to a member of your council. In this way matters can be cleared up more quickly and in a businesslike manner. Also, this is your chance to voice your opinions and ideas. This school is not perfect, we all know that, and if there is anything you can suggest to help in the student government then you should, by all means, do so.

### MUSIC CLUB

The Treble Clef Club held their regular meeting in the music room October 11th. A short program was rendered by a few members.

Our next meeting will be held November 8. Mr. Turney will give an appreciation lesson on the life of Schubert.
