The Misses Cronk and Newell were entertained at the home of Mrs. Melovidoff on the evening of December 13th.

Fred Harris recently completed the barber course and left immediately for his home in Ft. Washakie, Wyoming. We wish him a very successful career at his profession.

The Campus Troubadors motored to Salem, Tuesday evening and furnished music for a combined dance and party at the Armory. The party was sponsored by the Rotary Club of Salem.

Mrs. Mary K. Hankins, who has been head nurse here with us for the past two years, was recently transferred to Warm Springs, Oregon. She is just over the hill and expects to spend a few week-ends with us.

Mrs. Harry Jones, a former student of Chemawa passed away on the evening of December 13th in Siletz, Oregon. Surviving are her husband and five small children. Her many friends and old school-mates wish to express sympathy for the family.

Miss Hoffman, who was suddenly called home two weeks ago, is now at her duties again. She found conditions better than expected and also had pleasure of meeting two of our Chemawa students who are attending the University of Nebraska at Lincoln, her alma mater, Irene Thomas and Ruby Dean and both are doing splendidly.

Simon Booth, a former student of more than a score of years ago and also a pro mat and gridiron star of that time, succumbed recently when falling in the Thomas Basin in Ketchikan, Alaska. He was prominent in athletic circles on the Pacific, starring in championship teams of Chemawa. He was 54 years old and is survived by four children and two brothers.

CHAPEL

In chapel Sunday, Dec, 16th, the assembly sang two hymns and the orchestra followed by playing a selection from the musical comedy, "New Moon" by Romberg. The choir sang "The Lord is Mindful of His Own," by Emerson.

Supt. Ryan, in a brief talk, outlined some of the points of what the school was doing in the way of developing leadership. He also stated that Mr. Collier

was much impressed in what the school was doing for our Indian boys and girls.

Not much has been said about "who's who" in the local paper of what Chemawa grads are doing and what they have accomplished after graduating from this institution. In the forth-coming school annual, we plan to publish their names and also the professions they are following.
