TREBLE CLEF CLUB

The last meeting of the girls' music club proved an interesting and entertaining one. Part of the musical program was contributed by Mrs. I. C. Berg of Seattle, Wash., who is an artist in her line of work.

In addition to the music rendered a lecture was given by Mr. Ruthyn Turney—biographical and historical; "Mozart" providing the main topic.

Y. M. C. A.

We have been doing our share in preparation to observe the coming Christmas.

On December 9, a very interesting meeting was held. Our theme being "What Christmas means to us today." Various members gave their point of view on the question. Treasurer Eblyn Weeks and athletic manager Wallace Zundle, gave their reports. The boys drew names of Y. W. girls to whom they are to give Christmas presents at the party to be held December 21, we expect this to be one of our best parties.

On December 16, the Y. M. and Y. W. held a joint meeting. A group from Woodburn, Oregon entertained us with a play entitled, "Candle Sticks." It was an excellent play and members enjoyed it immensely. We wish to extend our thankfulness for the great favor rendered to us by the cast in the play.

TRADES

COMMERCIAL DEPARTMENT

The senior and junior commercial held a meeting December 13. The main object of the meeting was to elect a manager and captain for our basketball team. Laura Walters was elected manager and Evelyn Stiffarm was elected captain. It hasn't been decided who will be on the team but we are in high spirits and expect to put on a good showing.

We seniors wish to express our gratitude to the juniors for being so considerate during Miss Hoffman's absence. We are sure that she will feel proud of us all for being such good students. She will, no doubt, be surprised when she learns how much work we have accomplished.

BEAUTY PARLOR

Miss Marie Farron is going to be with us for a short period to brush-up on the light intricacies of the trade in preparatory for the state examinations in January.

The beauty shop girls and their invited guests had a jolly-time at a party which was given in honor for the girls that are to graduate in January.

Tasty refreshments which consisted of two kinds of

cake, sandwiches, jello with whipped cream and cocoa with marshmallows, were served at the close of the dance. During the intermission a short program was given.

HOME ECONOMICS

The senior home economics girls have chosen Gladys Majhor as their captain for the coming holiday events. The junior cooking girls have chosen Madeline Skinner as their captain.

The two groups of junior cooking girls are giving a tea around the 18th or 20th of December. They are inviting guests and are planning on some good entertainment. Then we expect that most everyone will be taking time out for the Christmas vacation.

We are getting along splendidly and no doubt will become good cooks in a short time.

The senior meal planning girls entertained all the boys from the shops who helped to repair Hawley hall the past fall. A Christmas holiday dinner was served them last night which was a treat indeed.

HOSPITAL NOTES

The nurses had a meeting on Thursday of last week for the purpose of electing a basketball captain. Mary Bowchop has gained the honor to captain our tape pullers, "ouch."

A farewell party was given Mrs. Hankins who has transferred to Warmsprings, Ore. We hate to lose her and we wish her an abundance of happiness in her new work. Our new nurse, Miss Scholes, seems to enjoy the work here.

WEDDING

The home of Mr. and Mrs. Charles E. Larsen was the scene of a wedding last Saturday. The marriage of Miss Dolly Loughrey, a sister of Mrs. Larsen, and Lewis Bayne was solemnized.

The bride was given in marriage by her father, Mr. E. A. Loughrey, who came from Indianola Beach, Wash. along with his wife and two daughters Rose and Mary Ann to witness the matrimony. Approximately 45 guests were in attendance. Mrs. Lewis Bayne thanks everyone heartily for all the gifts she has received from Chemawa friends.

McNARY HALL

The boys in McNary Hall are planning a hectic program on Christmas Eve.

With the cooperation of the boys Mr. Larnard has worked up a schedule for the coming holiday sporting events. With the reaction he has been getting it will, no doubt, be a success.
