

CHEMAWA BEATS MYRTLE CREEK TWICE

Chemawa 28, Myrtle Creek 24

On February 15th the braves met Myrtle Creek, a team of hoopsters from southern Oregon. On their southern jaunt a couple weeks ago this team gave the braves all the trouble they wanted, the braves barely winning by the score of 28 to 29. This team played a two game series here and the first game was a reminiscent of the first game played on Myrtle Creek's home floor. The Creek quint was a hard checking outfit and the braves were in danger of being overtaken in the second half of the fray.

The first half was fast with the braves scoring 20 of their 28 points. In the second half both teams checked very closely but the opponents were able to close up the gap and were still hot when the game ended.

Trask, of Myrtle Creek, was outstanding in the tilt, playing a brilliant game throughout. Shoulderblade was high scorer for the braves and he also played a good game. The starting line-up included: Sander-ville, center; LaBreche and Sam Shoulderblade, forwards and Archambeau and Adams, guards.

In a preliminary which proved more interesting than the main event "The International Club" of Willamette University was defeated by our "B" team. It was a thriller from start to finish and had all the spectators gasping for breath. It was fast and each team took their turn making points to the end of the game. When just one breath remained Roy Track made a precarious shot which turned the tables and made the "League of Nations" very "disgustipated."

The following night Chemawa was again victorious, defeating Myrtle Creek 24 to 29.

Chemawa loses to Silverton, 17 to 14

In a game with Silverton last Friday, Feb. 22nd, the braves lost as usual one of those well-known close games to the music of three bars behind by 17 to 14. These two teams were vieing for honors to see which would represent Marion county in the district tournament. It was a splendid show and the score indicates that there was decidedly close checking on the part of both teams.

In the first quarter both teams were pretty near destitute of points, however, Shoulderblade started the works and the Silver Foxes followed with a goal making the score rest at 2 to 2 at the end of the first period. In the second period the Silvertonians garnered a few points to lead at half by the score of 11 to 5. The second half was a mad scramble and very close checking played part of the show. In this period both teams

left very few opportunities for set-ups and we were three bars behind in the overture, to the favor of Silverton. The final score being 17 to 14.

In a preliminary game our "B" team were also good showmen and lost to the score of 24 to 22.

SILVERTON STAGES RALLY TO WIN COUNTY CHAMPIONSHIP FROM CHEMAWA

With a rally that astonished the spectators, the Silvertonians defeated the copper color lads in an over-time period here, Feb. 25, to cop the Marion county championship. It was an exciting and close checking affair and both teams missed very few set-ups. The Silver Foxes earned the game and deserved it heartedly for demonstrating that "fight to the finish" spirit.

From the start it was apparent that the braves were going places and led at the half, 18 to 8. Early in the second half they still were hitting the hoop and lead 24 to 12 at the end of the third period. In the last stanza the Silver Foxes started a rally and sank field goals from all points. Three consecutive field goals by Sawyer of Silverton and others by his teammates made the score 25 to 26. With but half a minute left a foul was made to the advantage of Silverton and the score was tied. Before this period ended, Shoulderblade and LaBreche were removed on fouls. This being the critical moment it caused the braves to lose their effectiveness. Two pocket sized edition substitutes were rushed in the game and the time was too limited for the braves to gather their wits after losing their regular forwards. In the over-time Sawyer, of Silverton was open for two short field goals which he both sank.

Shoulderblade of the braves was the most aggressive man on floor and led both teams in individual scoring with 10 points. This lad was open for many shots but kept dishing the ball to his teammates for better shots and is a lad who seldom takes a worthless shot.

A new edition who recently flashed in the lime-light is Alfred "Pep" Pepion. A cool headed slender lad, he is the latest asset to the regular line-up. He demonstrated some expert ball handling to hold second honors with 7 point.

The line-up included Labreche and Shoulderblade, forwards; Pepion, center; Adams and Archambeau, guards. The lads played good ball but the Silvertonians made some beautiful field goals which were hard for any team to stop and for which the Silver Foxes deserve credit.

STUDENT COUNCIL

The girls' student council have decided to meet more often and regularly to discuss happenings of the week and other matters to be brought up. The set date for these meetings is every Sunday evening after chapel.
