DR. JAMES DODDS SPEAKS IN CHEMAWA AUDITORIUM

"He Can Who Thinks He Can" Is Subject Of Talk

"He can who thinks he can," was the subject of the wonderful talk that Dr. James Dodds of Portland, gave in the Chemawa auditorium on Tuesday, Oct. 20.

Any of us, if we have the will to win in us, will win. The meaning of this statement was repeated in the talk by the examples which Dr. Dodds gave of people who wanted to quit their positions because they thought they were not capable, but whose will to succeed made them successful. Everyone is capable of success; "Carry and accomplish."

"The power to attain lies in every individual" said Dr. Dodds. Edison and Lindbergh were cited as examples to illustrate this statement. The key for real accomplishments is to be true to yourself. If it is right, nature is ready to help you along. God has given every individual a guide.

Dr. Dodds also advised us to have fun while working, for work makes time fly by faster and it seems easier.

Dr. Dodds concluded his interesting talk by saying, "Everyone has the ability to accomplish his goal." In other words, "He can who thinks he can."

HARTMAN TELLS OF PHILIPPINE EDUCATION IN SUNDAY CHAPEL

Mr. Hartman took the students for a brief trip to the Philippine Islands, to see how some of the schools were conducted.

Mr. Hartman stated that he felt very much at home here at this vocational school because his life has been closely connected with similar schools. He has also attended a vocational school and has found that such training has proved to be more beneficial than his college education.

MR. DOUGLAS REVIVES KLONDIKE RUSH OF '98, INTERESTING OBJECTS HELP ILLUSTRATE LIFE IN NORTH

On October 2, at 7 o'clock in the Chemawa auditorium, the students and faculty were privileged to hear Mr. Douglas tell of his experiences in the Yukon country in Canada during the Klondike Gold Rush of 1898.

Mr. Douglas makes his living by going from place to place all over the United States and Canada telling of his experiences.

The lecturer told of the terrible hardships that people had to endure on their journey northward after leaving their warm and comfortable homes to become rich. Many of these people never returned for they were frozen or killed on the way, or on their return.

A very interesting part of his speech was the experience he had when he decided to go from his home to the Klondike

SERENADERS ENTERTAIN WITH FIRST MUSICAL

Theme Song, "Drifting and Dreaming" Is Beautifully Rendered

The Serenaders gave a very interesting musical program in the Chemawa auditorium on Friday evening, October 9.

The serenading group consists of Henry SiJohn, the leader; William Hilburn, Clifford Day, Irving Dowd, Kenneth Frank, Alfred Songret, and Mickey Beauchaine, first and second tenors; Henry SiJohn, Charles Patton, Theodore Strom and Henry Abbot, basses. The Serenaders have two accompanists, "Pee Wee" Gerard and Henry Arnoux.

The program was very pleasing to the large audience which attended. Their theme song, "Drifting and Dreaming" was sung at the beginning and at the end of the program. A trio sang "Tumbling Tumble Weeds." A solo by Clifford Day was one of the highlights of the program. Henry SiJohn entertained with a solo and played the piano. The chorus sang two songs, followed by a guitar and a harmonica duet, played by Arnoux and Dowd.

A beautiful Hawaiian guitar duet was played by Hilburn and Gerard. "Pee Wee" and Arnoux played a song of their own composition.

The spice of the program was "My Kingdom for a Kiss" with the leading feminine part played by Alfred Songret who boasted of two handsome suitors, Clifford Day and Henry SiJohn.

Henry Abbott assisted by "Pee Wee" Gerard displayed his ability as a magician who showed many entertaining tricks that puzzled the audience.

Through the efforts and the interest of Mrs. Cornick, their sponsor, the Serenaders have become well known as a musical group and are to be praised for the entertainment they succeeded in giving the students.
