ATHLETICS

SUCCESSFUL FOOTBALL SEASON COMES TO CLOSE

Basketball Is Launched With 42 Turnouts

Chief Wilder and his sun-tanned Americans journeyed to Newberg by bus instead of their ponies and swooped down upon the Quacker Missionaries in modern style on Nov. 20th and made the Custer Massacre look like pink tea, so they say.

They used everything in the book, and much that would make coaches of more orthodox teams writhe in anguish, as they ran Pacific College bowlegged in what developed in a track meet.

With their innate love for deception and their instinct for pulling the unexpected, they executed spectacular laterals, reverses, and end runs with reckless abandon.

After Pacific had scored in the third quarter, Chemawa dusted off their pet play and took the lead by receiving the kick off, executing a short lateral, and sending a stocky warrior streaking down the side-line to cross the goal line standing up, not even faintly menaced by the Pacific defense.

Pacific rang up their touchdown after a determined march down the field. A pass, Kendal to Putman, clinched the extra point. The score came a few minutes of the second half.

The kick off return for 75 yards and a line buck for the extra point brought the score 13 to 7 for Chemawa. The braves brought the score to the 20 to 7 mark by shoving down the field, interspersing trick plays with line bucks that brought them first down after first down.

The final score of the game came just before the final whistle when Pacific in desperation began to fling passes. After several had fallen to the ground, incomplete or knocked down, a long pass rested in the arms of a little fleet-foot brave by the name of "Jelly" Jackson and he ran 55 yards to make the final score 26 to 7.

Another hair-raising Chemawa stunt involving a forward and two lateral passes, heading for scoring territory but was called back.

COTTAGE GROVE IS NO MATCH FOR KNIFE LIKE THRUST OF BRAVES

"Lefty" and his squad of 'Indian braves' journeyed to Cottage Grove on Thanksgiving day to defend their record. They accomplished it by winning the fifth straight game with some of the toughest teams. The braves opened the game by kicking off to their opponents who had the record of being defeated but once all during the season. The pale faces made a first down or two by straight power plays, but were soon stopped by the Redskins. The Cottage Grovers punted after failing to make any more yardage. This was an advantage for the Indians but they couldn't click for some unknown reason all during the first half, but did succeed in making one touchdown and extra point.

After a good talking too from Coach Wilder and Mr. Sanders and being warmed up, they reached down in their "jeans" and brought forth a bag of tricks. These they put into use in the second half and kept their opponents dumbfounded for the rest of the game, which ended 32 to 0 for the Redskins.

Basketball Turnout

With seven lettermen returning and forty-two new faces appearing, Coach Wilder is expecting to develop a fast-breaking basketball team.

The lettermen are George Christian and Roy Track, guards; Herman Red Elk and Noble Sandervillie, centers; George Bostwick, Raymond Track and Edward Archambeau, forwards.

Some of the other fellows of last year's second 'string' and new fellows who may win a place on the varsity are: Robert Greene, Raymond Track, Oscar Moses, Adam Bearcub, Ernest Bighorn, Irving Dowd.

YWCA Notes

Under the leadership of Miss Agnes Thorpe, the YW girls have learned what a personality means and how girls are judged by their character traits. Personal appearance is the next subject which they will discuss.

The YW and the YMCA members and all other protestants were entertained in the Protestant church on Friday, Nov. 25, with a poverty party. Anyone wishing to be admitted was required to pay the fee of two cents; to eat they were to pay three cents.
