PRIZE COMMITTEE BUSY MAKING PLANS FOR NUMEROUS AWARDS TO BE GIVEN

The prize committee reports that arrangements are being made so that many prize awards will be given for various activities and exhibits during the celebration. Some of the occasions for the awarding of prizes have already been determined. Some of these are:

Best Indian costume, man; best Indian costume, woman; prize dances, modern; largest family present; oldest graduate present, best Indian costume, boy, best Indian costume, girl, baby contest under 2 years, under 4 years, best Indian dancer, man, best couple dancers in Owl dances, best small boy dancer, best small girl dancer, best individual collection of beadwork, best individual collection of basketry, family living in tepee in most primitive manner, oldest Indian, youngest Indian present, other prizes are being arranged.

Band Stand about 1903—Designed, built and painted by two Chemawa students, John Pattee and William Lovelace. Record of Band members who first played in stand will be found in dome in a tin box

Jazz Orchestra

The "Rhythm Chiefs" sponsored their annual benefit dance Saturday, April 17. The dance was an escort affair and a large majority of students attended.

With the aid of a microphone Clifford Day sang two selections with the orchestra. During the intermission a short program was given by members of the orchestra. To add variety to the program, Wilson Spencer did the "Hoop Dance" which was enjoyed by everyone.

Door prizes were given to Gladys Bird, William Hilburn and Theodore Strom.

Another prize was won by Clifford Day and Bertha Blakeslee for the prize waltz. Vernon Jackson and Wallace Zundle sold refreshments. A large crowd attended the dance and enjoyed the evening's entertainment.

Choir

On April 10, the choir members under the sponsorship of Mrs. Turney, and with the help of Naomi Mesplie, gave a dance in the gymnasium. Evelyn Whitebear, a former student and octette member of Mrs. Turney's, came out from Willamette to give ideas and help to decorate the gymnasium. The gym was decorated with balloons, streamers, and colored lights. There was a trinket stand where Wilma Mesplie and William Settler sold

balloons, hats, balls and whistles to the students who cared to buy any for souvenirs. The refreshment committee with Aletha Whizz as chairman, with the help of Dorothy Jones and Maxine Clark, planned and prepared the things that were needed for the hot dogs and coffee booth.

The evening was an enjoyable one with good music that made everyone feel like dancing. There were many moonlight waltzes, and besides three door prizes were awarded.

Employees Divulge Plans For Celebration

Continued from page 1

one hundred and fifty students in Indian costume. The pageant is to depict some of the Indian tribal costumes, with their music and dances.

The publicity committee was represented by Mr. Henderson who gave an account of the various ways his committee plans to advertize the celebration and to attract the former students and friends of Chemawa to attend the two days of activities. Mr. Allen, in behalf of the exhibits committee, asked the students to inform their people at home of the opportunities to exhibit and perhaps to sell their displays of bead work, basketry, and Indian relics.

All of the students listened with interest to the plans, and are anticipating welcoming many friends and relatives for the two day celebration.
