

Summary of Sport Activities

Salem Vikings Massacre Indians

The Viks of Salem high rambled as they liked to a 40-0 victory over the Chemawa Indians on Sweetland Field last Friday, October 25th.

It was the fifth straight win of the year for the Salem preppers. Chemawa did not furnish much opposition, since they were outweighed about twenty pounds to the man. On the opening kick-off Salem marched 77 yards in 11 plays for the first touchdown, with Pearmine plowing the final 20 after snaring Simmons' pass, hurled 20 yards from the Chemawa 40 yard line. Chemawa penetrated no further than the Salem 27 yard line, and that ended Chemawa's scoring threat. It was just no competition for the Viks, and they remain unbeaten in the race for the State football championship.

Independence Bows to Braves

Rebounding back from their defeat by Salem, Coach "Bunny" Bennett's Braves won their first victory of the season when they defeated Independence 7-0.

The game was evenly matched until Chemawa got a "break" when Saluskin, right tackle of the Indians, blocked the Hopsters attempted punt on the 1-yard line, and Beaudry, sub-halfback, carried the ball over for the only touchdown and also for the extra point. The game was played on the Independence gridiron. The next game for the Braves is with Tillamook Cheese Makers on Sanders' Field, Nov. 8.

"Old Fellows" to Try Luck

The boys that could not participate in high school competition are forming an All-Star team to be coached by "Lefty" Wilder, one time star, in his days, and former coach. "Lefty" was surprised to see some of his former stars and players turning out again. Boys that turned out for the all-star football team are the following: Stanley Williams, last year's varsity end is at right end; "Jiggs" Whitford, slim and wiry right tackle, who played for coach Wilder's team a couple of seasons as a reserve; "Swede Black Jack" Wilder, short chubby little fellow, is at right guard; at center, "Lefty" has big Bearcub, who also played on Wilder's team for two seasons; at left guard he has "Dave" Halfmoon, fast charging guard, who pulls out of the line and runs for interference; at the other tackle position is Lester Rowe, who played prep ball in Montana; Sammy Shoulder-Blade, fast charging end is at left end. In the backfield Coach Wilder has "Art" Shilo, hard

blocking right halfback; "Jitterbug" Lodge, who sweeps those ends is at left halfback; "Chet" VanPelt, who is calling the signals, was also on last year's varsity at quarterback. At the fullback position he has hard driving "Elsie" Queampts, who does most of the ground gaining and punting. In addition to these boys who turned out are Brewer, Sams, Sloan, Bear Cloud, Suppah, Mesplie, Seyler, Tatshama, Samuels, Elmer and Eugene Booth, and R. Bolton. A game has been scheduled with the varsity on Armistice day. Probably a game with Reed College or Pacific College will be arranged later.

Inter-class Football

Playing the first half of the inter-class football jamboree held on Sanders' Field, the "Mighty" Seniors romped over the "Green" Freshmen, opening the touch-football, to the tune of 33-0. The Freshmen were no match for the Seniors' aerial attack which they furnished through out the entire half.

In the second half of the jamboree the Juniors and the Sophomores battled to a scoreless tie. Both teams showed some excellent passing, especially by the Sophomores, who are coached by Adam Bearcub. There are still about three or four more games to be played to decide the championship.

Girls' Intramural Sports

The Girls in high school are having their annual interclass volleyball tournament. The Freshmen elected Margie McCarty as their captain. The Sophomores elected Maiselle McCloud for their captain. The Juniors and Seniors haven't elected their team captains as yet, but playing will start next week. The girls are studying the different apparatus in their gym classes, and will receive points for earning their letters. The girls get to play in the gym every day of the week.

Esther Frank, Georgia Nanamkin and Marjorie Skahan attended the Regional Youth Christian Conference at Corvallis, on Saturday, Nov. 2.

Lena Davis, one of the "Amarican" reporters, and a Junior, left for Tacoma, Washington, where she will spend a few months recovering her health.

The YWCA held their installation services during the Protestant chapel service on Sunday, November 3. New members were officially installed in the strikingly beautiful candle light. Mrs. Mackie directed the service.
