"Three Bright" SENIORS

On February 25, 1923, in Yakima, Washington, two tiny mites of joy filled the air with loud cries announcing that they had arrived twins. One of these twins cried louder than the other and naturally she grew up to be Margaret E. Skahan. After spending seven years in Toppenish, Washington, learning her "readin,' 'ritin', 'n' 'rithmetic," Margaret started her eighth grade in a small country school on the coast. It was during this same year that she journeyed to Chemawa, where she has been each of the following school years. She is majoring in commercial and will finish high school in the spring. Margaret's ambition is to be a stenogragher or business woman. "Moogie," as her many freinds call her, has a smile for everyone, and is always willing to lend a helping hand. Her hobbies are collecting pictures, postcards and writing poetry. "Moogie" likes to swim, dance and cook, and can usually be found reading a mystery book. We all join in wishing that "Moogie's" highest ambitions and dreams may be fulfilled in the years to come.

Mr. Alvin "Hook" Bobb was born in the quaint little town of LaConner, Washington, on a frosty December morning in 1922.

During his first eight years in school he went to Tulalip Indian School. He entered Chemawa as a freshman four years ago to specialize in Auto Mechanics. His greatest ambition is to become a good mechanic.

For entertainment he likes to read and to see the movies which are his hobbies. His favorite books are written by Zane Grey.

This is his second year in the Lettermen's Club He earned his letters in baseball, which is his favorite sport. During the summer he plays for his home team, that won their league championship in 1939. To Alvin, we wish success as an Auto Mechanic and as a baseball player.

In Lodge Grass, Montana, Frank Backbone was born. Entering the Lodge Grass public school, he finished nine grades before coming to Chemawa, where he is now studying to become a carpenter, but his greatest ambition is to become a professional basketball player.

Playing the guitar is his hobby. He also enjoys the movies and reading western books by Zane Gray.

He is a member of the Hi-Y and Letterman's Club. He likes basketball best of all sports, although he does play baseball and was a member of our track team. At Lodge Grass, while a freshman the team he was on took District and Southern Division Championships,and second place in the state tournament. Playing two years at Chemawa, he has been on the All-Valley All-Star team twice, and set the WVI scoring record both years. He is Oregon's highest scorer, and helped the team (He was the captain) to go to the District Tournament last year. This team went on to take fifth place in the State Tournament. To "Frankie," we wish much success as a carpenter and a basketball player.

The SENIOR

CARNIVAL

AMAZING - EXCITING - AMUSING

The hit of the year! The extravaganza of 1940! The show that has thrills and fun for everyone!

BIGGER AND BETTER THAN EVER BEFORE! NO HOCUS--POCUS! !
