

## Summary of Sport Activities

### First League Game Very Exciting; in other words, a "Humdinger"

In the first league home game played on the local gym, Gresham high school edged out the Chemawa Indians 20-19 in a very close exciting basketball game December 17. Chemawa was behind 17-19 in the closing moments of the fourth quarter, until forward LaRoque canned in a close lay in shot to tie the game up at 19-19.

In the overtime period Chemawa had the opportunity to win the the game, but Bearchum missed his foul conversion. The game was full of thrills and it wasn't until Goodluck's infraction which was badluck for the Indians in the last five seconds that Gresham's Sabbe made good his foul shot to win the game.

In the preliminary game the Pappooses just barely defeated the Gresham "B" team 22-24. "Duck" William's quick lightening push shots saved the Pappooses from getting defeated.

### Big Nine Jamboree

The Varsity journeyed up to Gresham, to compete in the newly organized Big Nine League Jamboree. The Varsity played against Woodburn in the second quarter and beat them 6-3. Although they made a good showing, Sandy Hi took the trophy for the most points scored in the Jamboree. The team was well supported by the students who made the trip to Gresham.

### Mount Angel Defeats Chiefs; 29-23

Playing their first game of the season, the Chemawa Indians broke even with the Mt. Angel prep squad in a fast breaking basketball game. The Varsity lost to the Mt. Angel first stringers 29-23, while the "B" team won their game 26-23. It was a case of too much height for the Braves, and due to the fact that some of them are not quite in condition. Grosjacques of Mt. Angel and Goodluck of the Indians shared scoring honors with thirteen points apiece. The Indians played good on defense, but they haven't quite mastered their shooting.

### All-Stars Lose Opener

The All-Stars, playing their first basketball game of the season with the Linfield Freshmen, were nosed out by a slim margin of 48-44. It was a very rough game and the boys weren't used to the twenty minute halves without quarters. Both teams were knotted up at the end of the regular period 44-44. Linfield made use of their height to beat the All-Stars in the overtime period 48-

44. Backbone took scoring honor with 20 points, followed closely by Van Pelt with 13 points. Members of the All-Stars are Woundedeye, Van Pelt, Backbone, Sam Shoulderblade, Dowd, Hayward and Alby. The game was played on the Linfield floor on December 6.

### All-Stars Win First Salem City League Game

The All-Stars, composed of boys who are ineligible for high school competition, were beaten by Simmons' basketball team of Salem last Tuesday night, 60-51. It was a freescoring game and both teams were not checking very closely. The All-Stars were playing without the services of Tony Shoulderblade and Dowd who went home. Nevertheless, Van Pelt took scoring honors with 24 points, followed closely by F. Page with 20 points of the Simmons' team.

### What is Good Sportsmanship?

Who is a "good sportsman"? He is one who plays the game hard, and fairly. He likes to win but never at the cost of cheating or playing unfairly. He respects the rights of others and gives his opponents due credit. In his work, too, he will be found to be generous, fair, and honorable. Will you cultivate good sportsmanship?

The good sport never cheats, never loses his temper; he never plays to the grandstand nor makes excuses for defeat; he never fails to carry his end of the load; he never treats an official discourteously.

Now that the basketball season is starting the students should show their sportsmanship by supporting their yell leaders and song queen at all basketball games. They should not boo the opponents or referee's decision. Don't get the idea that the qualities of sportsmanship are confined to sports alone. The same spirit applies everywhere in everything you do.

Good sportsmanship and spirit of fair play are more important than the winning of any game.

—JOE HAYWARD

The basketball Jamboree, held at Gresham, Oregon, was an exciting event for the students who made the trip. Chemawa's team placed as one of the highest scoring teams, among the many teams that played.

Lester Rowe has left for Camp Murray to enlist in the army at that post.
