

## HOME ROOM

**TONGUE RIVER:** This Homeroom group had several members of their tribe visiting Homeroom each morning during the conference. The main topics of study recently has been of cattle raising and improvement of agriculture. Plans are being made to build a large dam on the Tongue River reservation near Busby, Montana.

**KLAMATH:** President Elnathan Davis recently received a letter from Supt. B.G. Courtright of Klamath Agency saying that he wished to have it known that information was sent to the Homeroom. (We printed the opposite in the preceding "American"). On the reservation a military school for Indians is being sought.

**TAHOLA:** Improvements within the last five years on the Tahola reservation are being studied. They are taking tests twice a week on dairy farming, vegetables, canned foods, and the income per person annually. An oral quizz is taken every Friday.

**GRAND RONDE:** To this group Mr. Larsen suggested that a study of the history of southern Oregon rather than the natural resources. He also left some valuable information about the history of southern Oregon, how the Grand Ronde reservation was started and a few other items of interest.

**SILETZ:** New officers were electd. The new president is Ethel Armstrong and the new secretary is Sybil Wood. Mr. Larsen and Mr. Showalter were recent visitors of the Homeroom. Open discussions were made on the Reservation Survey.

**CROW HOMEROOM:** These students are studying and reviewing information received from the Crow reservation for the examinaniums. They also wrote home for more information. Miss Florence from the Tongue River reservation visited the Homeroom during the conference.

**TULALIP 2:** With the leadership of our new Chairman, Chester Paul, this group has had many discussions on why the Homeroom should be valuable to them. Mrs. Stubbs from the Tulalip Indian Agency visited the homeroom and told of the ways of making a living on the reservation.

**ALASKA:** The Alaska Hoomroom has written a letter to the Juneau office, at Juneau, Alaska,

to obtain some information that will be of help to the homeroom. They are going to draw another map of Southwestern Alaska.

**TULALIP 1:** This group has been following the same routine for the last two weeks. All information received is written on the blackboard to be studied or copied.

### Local News

On February 23, the grade school entertained at chapel with a splendid program. The numbers presented were based on a patriotic theme—George Washington's Birthday. Children from the first to the sixth grades participated in the program. Several poems and songs were given, which deserve much praise. The several dances on colonial times, presented by the second grade, were very enjoyable.
