IN MEMORIAM

REGINALD TATSHAMA

During a lifetime there comes to everyone, an hour of need—need of sympathy, understanding, and prayer. To Chemawa, this hour of need came when word of the death of Reginald Tatshama was received on March 5. Reginald passed away in the Newberg hospital a few days after he received injuries in an automobile mishap.

Reginald was from Nespelem Washington. He was fourteen years old, and in the eighth grade. He ranked high in all classes, and Boy Scout activities. It might be said that Reginald's motto might have been "If a thing is worth doing it is worth doing well," for he was a very reliable boy. He never shirked a job—always "on the spot," willing to help. He was on the first team in Grade school basketball, and showed splendid sportsmanship and ability. Reginald's splendid manners, kindness, and friendliness showed that the education only a mother can teach, was outstanding. A memorial service was held in the auditorium on the afternoon of March 5, for Reginald.

So, though no more his smiling face we'll see, his spirit remains in the hearts of his many, many friends, and our memories of him will be cherished ones.

GLORIA HARSH

Sorrow again prevailed at Chemawa, when little Gloria Harsh, grade school student from Pendleton, Oregon, passed away on March 11, following a two-weeks' illness. Gloria's mother was with her for a few days prior to Gloria's death. Her funeral was held in Pendleton.

Gloria was in the sixth grade, and her work was average. She was a member of Mrs. Pepper's 4-H Club, and was progressing very well. She was a very nice, quite girl, who was always willing to co-operate, and help in any way she could. She was kind to those about her.

A memorial service was held Sunday morning, March 15, in the Protestant chapel. Several grade school girls, bore candles in her memory, and a girls quartette sang two selections. The chapel was very beautifully decorated in white blossoms. Although Gloria has passed on, she will be with us spiritually, and someday we will be with her again.

Chapel Program

For the chapel program on Sunday, March 2, Mr. Jackson secured some movies illustrating desirable and undesirable points to remember in applying for a job. Mr. Wayne D. Harding, Marion County 4-H Club Leader, operated the projector. Of the points given a person should remember to present himself in such a manner as to "sell" his qualities to the prospective employer.

First, thoroughly know the work for which you apply—learn it through study and practical experience. Second, show enthusiasm or a great interest in this particular work. Next, dress appropriately for the occasion—don't over do things with party clothes, nor merely throw a costume together. Try to get a neat, well-fitted suit, that will emphasize ability to do things neatly and precisely, and then, go into an office, with a sparkling personality—be cheerful, smile! Don't plead or beg for work. This does not tend to show the prospective employer your abilities as a leader.

If you have been turned down once or twice, don't be discouraged—don't give up the ship! Go back again and again, making a better appearance each time, until success is yours. Try for more than one position—from the bottom of the ladder up. If you are offered a job that doesn't quite come up to your expectations, accept that position for we must climb-climb a high, steep hill, before we come to the valleys of Success. But remember—SMILE!

On March16, Mr. Abe Doerksen, a member of our own staff, presented a splendid program at Chapel. Mr. Doerksen and his choir sang several numbers, including songs by the entire choir, and numbers by a womons' quartette and mens' quartette, and a mixed quartette. Mr. Daerksen played a very beautiful spiritual number on his electric guitar. The program was very enjoyable. We express our appreciation to Mr. Doerkson and his choir for the time they so willingly gave for our enjoyment.

Rickard Resigns Position

Mr. Fred Rickard, Boys' Adviser, will be leaving us soon as he is going to enter school at the University of Oregon on March 24. Mr. Rickard went to school here and graduated in 1929. Three years later, Mr. Rickard became the Assistant Boys' Adviser and in a few years he was promoted to the position of Adviser. During the summer of each of the last few years he has been attending the University of Oregon, the Agricultural State College of Colorado, and other Indian Service summer schools. He states that the main reason for leaving Chemawa and entering college is to further his education and to obtain a degree before going to work again.

To Mr. Rickard, we wish great success, for he has been well-liked and respected by Chemawa students and employees. The McNary hall boys shall miss the stern, yet cheerful manner in which he supervised the activities of the boys in McNary hall. We shall all want to hear great things of him after he leaves because he is a graduate of Chemawa and a good adviser.
