## Items of Interest

The program presented by the junior class on March 22, "The Junior Magazine of the Air," proved very successful. Those who attended enjoyed the broadcast.

The movie, "ABE LINCOLN IN ILLINOIS," in the auditorium on March 29, was both very interesting and educational.

An educational movie was shown in the auditorium on Monday, March 31, illustrating the many advantages electricity offers to the farmers of America.

On March 26, the grade school marched to "top-ranks" with their splendid Amateur program in the Auditorium. Many outstanding talents were presented, and perhaps we have "tomorrow's stars" amid our own people.

The Hi-Y and YWCA were hosts to the Silverton Girl Reserves on Saturday, March 29. The group spent a delightful, though wet, afternoon at the Chemawa Park, singing songs and "exchanging talents." The sun broke through the clouds to make it "the end of a perfect day" for the group.

Dr. R.S. Lloyd, Special Eye Physician of the Northwest, and his assistant nurse, Miss Skadsheim, have been on the campus several days, in connection with the treatment of trachoma. At present, there are twenty-seven taking the sulphanimide treatment, and Dr. Lloyd expects good results.

Mr. Kunkel's orchestra made its second outside appearance on Friday evening, March 28. The orchestra played several selections between acts of the play, "Here Comes Charlie," at Hazel Green. The orchestra has fourteen members at the present time and does splendid work.

A banquet, promoted by the alumni, was given in honor of Mr. Rickard on March 21. The many guests enjoyed old-time dancing, and a few modern numbers. A delicious chicken dinner was served later. Mr. Wilder was toastmaster, and other speakers were Mr. Jackson, Mr. La Vatta, Mr. Mason and M. Doolittle. As a farewell gift, Mr. Rickard was given a very fine brief case.

Mr. and Mrs. Noble Sanderville, and daughter Maria, were visitors on April 5. They were on their way to Klamath Falls, Oregon. Both are former Chemawa students.

Miss Mae Gunter, Education Field Agent from Fort Belknap, Montana, is a visitor. Miss Gunter visited the Fort Peck homeroom, and was very pleased with the work being done by both the teachers and the students.

Nothing is easier than fault finding. No talent, no self denial, no brains, no character are required to set up in grumbling business.
