### **Lettermen Initiate New Members**

On Saturday, Sept. 18, the Chemawa Lettermen's Club initiated 27 members into its organization.

Initiation officially began at about 6:00 a.m., when the boys were required to don girls' skirts and blouses. Each boy had to wear the name of a girl on his back and he also had to carry an egg around all day.

After the noon lunch, practically the whole student body stayed to watch the blushing and self-conscious boys sing, dance and perform various

entertainment. After supper there was a reoccurrence of the noon activity and the boys once more had to get out and show their wares.

At night a dance was held and all boys were present----still wearing the feminine attire. They "broke the ice" on the first dance and most of them stayed out there for the rest of the evening.

Sunday morning was practically a continuation of the Saturdays' ordeal----minus the skirts.

The boys were taken to the gym where they went through the "spats," tumbled down into the cellar, were drenched with water and were hindered in numerous other ways.

By noon the last boy walked out of the gym, happy, proud and eligible to wear the Chemawa "C".

### **Federal Employees Union**

On September 23, the members of the Federal Employees Union Local 241 met at the Practice House to plan their program for the year. A drive is now on for new members. The next business meeting will be held the first week in November, at which time we hope to see our membership doubled.

### **Many Employees Attend Fish Bake**

A place called Whale Cove, about one and one-half miles south of Depoe bay, was the scene of a salmon bake, which attracted a large crowd on September 26-27.

Mr. Rueben Sanders and Mr. James took charge of baking the fish, which was baked on an open fire. On Saturday, the crowd totaled about 250, but on Sunday, the last day, there was a crowd of 600 or more in all.

Miss Ileana Simmons of Siletz, Oregon, was chosen as Queen of the affair.

Mr. Sanders entered the Bow and Arrow Contest and won first place for which he was presented with a beautiful trophy.

### **Moving Pictures Shown**

Sunday evening, September 14, some moving pictures were shown in the auditorium by Mrs. Jackson. These pictures were of the Pendleton Roundup, and of work projects on the campus. Others shown were some pictures taken by Mrs. Jackson on an airplane trip over Salem, Mt. Hood, and the Chemawa School.

The Bridge Club met at Kola Tepee on the evening of October 6, to make plans for the year. The club will meet on the second and fourth Monday of each month.
