### End of the Trail Tough Going for Redskin Pigskin Toters

The Wooburn Bulldogs defeated the Chemawa Indians on their own battle grounds on Armistice Day, November 11.

With a score of 32-0 against them the Indians ended their last game of the season. Their standing in the Big Nine League is now third. The Indians were headed for the championship before they met Parkrose who defeated them 21-19. Then came the Silverton game which ended in a tie. At the end of the season, Chemawa had two losses, five wins, and two ties, a record which shows the Redskins had a very successful season.

Some of the individuals who made their letters were: Joseph, LaRoque, Maxwell, VanPelt, Rice, Hilliare, George, Whitford, S. Beaudry, Courville, Youngman, Walters, and Davis. Most of these lettermen should be back next year for another good team.

### Basketball Flashes Turnout

On Nov. 18, the Chemawa Chiefs started turning out for varsity basketball under Doug Olds, the coach. The large number of turnouts scimmaged and went through a series of various exercises. Most of last year's lettermen are returning with other boys who show promise during the coming season. With the material available this year the Braves should go far.

Some of the lettermen who turned out are: LaRoque, Daves, Saluskin, Teton, Demo, Jackson, and Williams. New prospects for the team this year are: Whitelaw, Walters, E. Teton, Vanpelt, Whitford, Tissidimit, and Youngman.

### Intramural Sports
