instead of sending all this to us please divide it with Supt. and Mrs. Jackson, the students and faculty and readers of the AMERICAN.

dont fale
the Printers

P. S. Please help us lick the japs soon after Xmas.

Mr. Ruthyn Turney, "Grand Ole Man" of Chemawa, Chapel Speaker

Mr. Ruthyn Turney, the guest speaker at Chapel in the auditorium on December 7, held the faculty's and visitors', and the students' attention by telling about many experiences during his early life at Chemawa and other places.

Mr. Turney told interesting incidents about horse thieves of Oregon. The most outstanding incident he told was about his "girl" who is now, of course Mrs. Turney of today.

When Mr. Turney finished speaking, he and Mrs. Turney were given long and hearty applause by their many friends as they left the Auditorium.

Immediately after the Chapel program, a reception in Winona hall was given in honor of the Turneys by the junior class. The program which was presented by the class members was very well planned and consisted of the following: An Indian Legend given by Edith Kanine, a solo by Ralph Jackson, a song by the junior boys' sextette, and portrayed in sign language by Edith Kanine. For the last number on the program, the whole group of juniors and guests sang a few well known songs, including one which was especially written by Miss Morse to honor the Turneys.

CHRISTMAS — It keeps Romance alive in the heart of Childhood and brightens sleep with magic dreams.

Complete Report of Cannery Production Compiled

The complete report of the amount of production done in the cannery has been compiled. Thanks to the students who worked here last summer under the direction of Mr. O'Reilly and to the students who worked during the school term under the direction of Mrs. Cronk, a large number of cans of food have been preserved.

Since school started the cannery was under the Home Economics Department under the direction of Mrs. Cronk. The home economic students of the different classes were each assigned a definite day to go and work in the cannery. The food canned in the cannery supplies a large amount of the food used in the student dining hall. The output of the cannery for this season is as follows: [These are near gallon cans]

Youngberries, 30; Blackberries, 114; Loganberries, 864; Logan juice, 288; Cherries, 1080; Rhubarb, 474; Peaches, 876; Pears, 756; Prunes, 66; String Beans, 984; Corn, 1014; Tomatoes, 172; Kraut, 192; Beets, 432; Shelled Green Beans, 408; Shelled Dried Beans, 132; Carrots, 408; Fish, 180, small cans.

Honor Roll Students

The honor roll for the first part of the year has been finally determined. Due to their good work and cooperation in classes these students head their classes and should be praised for the good work they have done for the first quarter of the school year.

The 9th grade class is represented by Ernest Spencer, Paul Svinth, Ruby Whitwright, Tressa Graham, Lillian Havard, Alice Martin, Joe Berry, Glen Fritzler, Josephine Bonella, and Shirley Douthit.

Ethel Armstrong, Mary Lucey Andrews, Ray Brady, Gayle Lawrence, Gloria White, and Mae Thomas lead the 10th grade group.

Ethel Davis, Julia Berrys, Harold Dilts, and Audrey O'Connor head the 11th grade group.

The Senior class honor roll contains the names of Stanley Williams, Kathryn Jones, June Ford, Wilfred Teton, and Ben Bearchum.

The students who remain in Chemawa for the holidays are looking forward to a week of activities and fun and a happy Christmas Eve party in the gym.
